July Course & Grounds Report

Why are the sprinklers running during the day? There are several reasons for watering during the day. One of which is to preserve water by not watering the same night it rains. So, if the course is dry and there is a chance of overnight rain we do not set up the irrigation to run. Waiting until morning to water allows the golf course conditions to remain firm and also reduces the turfgrass disease pressure that is associated with heavily watered grass. Most turfgrass diseases are caused by fungi. How do fungi spread and infect large areas of turf? The answer is: through water. So reducing water usage also reduces the possibility and severity of diseases.

Humidity levels play a big factor in daily watering. We may know it is going to be 90 degrees the next day, which most people would think to water the night before, however, if the humidity level is high then the evaporation rate is low and moisture stays in the turf and there is no need to irrigate. On the other hand, if the humidity is low and the temperature is 90 degrees in combination with a little wind you may see turf wilt very quickly.

Syringing is a light application of water sprayed on the greens, tees and fairways during the heat of the day to reduce the turf canopy temperature by a couple of degrees. This is done because the turf at Seven Oaks is comprised mostly of creeping bentgrass and annual bluegrass which is properly pronounced *Poa annua* not *Po anna*. Creeping bentgrass has a drought mechanism which allows it to survive under the stressful summer heat. *Poa annua* or annual bluegrass does not have this mechanism, so by syringing the turf during the heat of the day we can lower the temperature at the turf canopy by a couple degrees which is often enough to allow the survival of the annual bluegrass.

Well it rained last night how come you are watering today? During periods of high temperatures the grass plant can not move enough water from the roots and out through the leaves to stay cool. A light syringing of water will help the plant out in these situations.

We will try to make your round as pleasant as possible by only watering during the day when it is absolutely critical to the health of the turf.

OPERATIONS & MEMBERSHIP DIRECTOR

Summer is off to a great start and overall the weather has been better than last season. July should be a great month, especially the Fourth of July celebration at the pool and in the Grille Room. Please be sure to note that the Grille Room and pool will be open normal weekend hours on Monday, July 3. On Tuesday, July 4, D.J. Joe Morris, will be playing from 1-5 PM at the pool celebration. A nice buffet is planned for the Grille Room starting at 5 PM. I highly recommend reservations, a very busy evening in the Grille is anticipated.

The renovations have been going great with the patio 90% completed, despite several weather delays. It looks great and members are excited to begin dining and relaxing by the fire pits at one of the nicest outdoor dining areas in the county. Opening night for the patio is dependent on how quick the construction on the exterior of the building in this area is completed. The weather has been better the second part of June and hopefully it continues into July.

June was filled with many events. The Club has received great support from the members and community in hosting private events at Seven Oaks. I would like to thank all of our members who have supported Seven Oaks by having their special events at the Club. Be sure to contact Ellen Policastro if you would like to host an event in either of our banquet rooms.

Membership has seen a huge pick up in June with 28 new members coming on board. I have had the pleasure of hiring Garret Haffner as an intern who has done a tremendous job in helping me secure those new members. Twenty-eight new members in one month is outstanding and I would like to thank Garret for his hard work. Please join me in welcoming our newest members to Seven Oaks.

I anticipate that we will see even more of an influx in new members in the next couple of months and want our members' friends and family to have the first opportunity at joining Seven Oaks! Thank you again for all of your support and I look forward to what the future brings.

From the Events Coordinator

It seems like we just celebrated Memorial Day and we are already making plans for July 4th! The Club is a great place to celebrate Independence Day with your family and friends. There will be a picnic at the pool from 12 to 3 pm, then we move the festivities over to the Grille Room for a dinner buffet from 5-8 PM.

June was a busy month at the pool, on the course, and at the tennis courts. Our first night swim of the summer was so much fun with the burger bar and DJ. The next night swim is planned for Friday, July 14, when the pool will stay open until 10 PM. There will be a Sunday Brunch, poolside, on Sunday, July 9, and Wednesday, July 12 is guest day at the pool. Don't forget that you can reserve the pool canopy for a party, for the kids or for the adults. Give me a call and I can help you plan a fun afternoon or evening by the water!

We have a lot of events going on at the Club-weddings, birthday parties, baby showers, wedding showers, and anniversaries. It's such a pleasure to help plan these very special occasions with you. Don't hesitate to call me if you have an upcoming event and would like to use one of our beautiful rooms inside the Clubhouse, or if you want to plan a more casual event on the tennis deck or at the pool. Within the next few weeks we hope to have the new Grille Patio available for your event plans!

Enjoy your summer!

Keith's Korner

Over the years there have been many changes to the clubhouse. In 1989, the clubhouse was expanded and renovated to its present size. Before 1989, the Pro Shop, Bag Room and the Grille Room were all three in the space that the Grille Room occupies today. The Hickory Suite was an outdoor patio, the concourse was also an outdoor patio and the Oak Room did not exist. The Fitness Center was where the original Card Room was located and the Card Room was moved to what is now the Champions Lounge. Many changes are now in place for this year to improve and update the clubhouse and the timing is perfect as we approach our 40 year anniversary.

Keith Hohenshel
 Operations Manager
