March Course & Grounds Report

Where is your cart? Is your cart parked to the right of 1 green or to the right of 9 tee?

Does your cart drive right past cart directional signs?

Last fall and this spring email communications regarding our effort to seed around greens and tees that were damaged by fungal diseases from heat and humidity in 2016 were sent out on multiple occasions requesting that carts stay on paths near greens and tees. Observations from last fall and early play this year show that the message is not getting through.

Help from carts is also needed near cart directional signs that are used around wet or high traffic areas. These signs keep carts off wet and high traffic areas and allow the carts to go off the path on drier holes instead of making the entire course cart path only.

Please help us keep the carts on paths when putting or teeing off, and obeying cart directional signs. If your cart is having trouble following the above mentioned requests then please return it to the Golf Shop for a different one.

Aeration. Greens aeration is scheduled for April 24th and 25th. Completion in the spring is necessary to prepare the turf for the summer stresses, which include: heat, rainfall, disease, insects and compaction. Autumn is the next best time to aerate because root growth is maximized and soil compaction is reduced from the summer season.

Below is a list of benefits that occur from aeration:

- ☼ Decreased compaction.
- ☼ Increased root development.
- ☼ Increased drainage.
- ☼ Decreased thatch development.
- ☼ Increased tolerance to heat.
- ☼ Increased water and nutrient uptake to the plant.
- ☼ Reduced isolated dry spots.
- ☼ Increased tolerance to insects and disease.

Dennis Kaminski, Golf Course Superintendent

Keith's Korner

Welcome back everyone! I am looking forward to a great year at the Club. There have been many improvements inside the Club this winter and more improvements are scheduled this spring to the Grille patio area as well as the outside of the clubhouse. There may be some dust and noise while these projects are underway so please be patient as all of these improvements will enhance your membership experience. To all of our new members- Welcome, enjoy your Club and be sure to let us know if you need anything. To our longtime members-I will leave you with a question that I will answer next month. How did Seven Oaks get its name?

Keith Hohenshel
Operations Manager

News from the Golf Shop

Slow Play-It isn't my fault! It takes about one hour to actually "play" your shots in 18 holes of golf. The other 3 to 3 ½ hours are spent getting to the next shot, choosing the right club, looking for your ball and socializing.

Golf Digest recently did a survey (see results below) where they asked golfers to rate their own pace of play versus other golfers. Their conclusion ...*it's not my fault, it's the other golfers!*

Q: How would you rate your own pace of play?

Fast: 57.8 percent

Average: 37.4 percent

Slow: 4.8 percent

Q: How would you rate most golfers' pace of play?

Slow: 56.2 percent

Average: 41.8 percent

Fast: 2.0 percent

At Seven Oaks Country Club we ask you to take ownership of your foursome's pace of play. We understand that you may have guests that are important to your business or friends whose feelings you don't want to hurt, however you are actually doing them a favor by encouraging them to move along. It is apparent from the survey that over 95% of golfers think that they are playing at a proper pace. Letting a guest or fellow member know that they are lagging behind could help them and everyone that follows your group to have a more enjoyable day! Please play "ready golf" and move the day along for everyone.

OPERATIONS & MEMBERSHIP DIRECTOR

It is safe to say that Spring has finally arrived at Seven Oaks. We had a great start to the season and fortunately we were able to play some golf in March! The Grille Room opened March 17 and we had a great crowd opening night. Chef Greg and his culinary team put out an amazing spread for St. Patrick's Day brunch.

If you have not attended a brunch, I highly recommend giving one a try, I can assure you that you will not be disappointed. Our next brunch is on Palm Sunday, April 9. We already have close to 200 reservations! The Easter bunny will be arriving at 1:30 PM for the Easter Egg hunt. He gave me a call at the end of March to see how many kids will be attending, so he has plenty of eggs to hide. He said the extended forecast looks good and he will most likely be hiding the eggs outside!

Easter is on Sunday, April 16 and reservations are quickly filling up. Be sure to contact the Club to make your reservations!

I am excited to welcome a new member of the Seven Oaks team. Ashley Frynkewicz is our new administrative assistant at the front desk. She joined the staff on March 27. She is a great fit for Seven Oaks and will do an outstanding job in assisting our members.

Membership continues to boom with 16 new members thus far in 2017. Please join me in welcoming our newest members to the Club.

Derek & April Russo	Chris & Elizabeth Friedman
Wendy & Jason Lowe	Dennis & Christine Wolford
January & Michael Dolata	Jessica & Louis Magnotta
Jordan & Ashley Miller	Jeremy & Erin Schmidt

Welcome to Seven Oaks!

We have had a great start to the year and had many great compliments. One of our members told me that he has never felt as "at home" at Seven Oaks as he did that Friday night. My goal is to have every single member and guest feel that they are at a home away from home each time the walk through our doors! If you have any questions or know someone who is interested in membership, do not hesitate to give me a call.
