## July Course & Grounds Report

Why are the sprinklers running during the day? There are several reasons for watering during the day. One of which is to preserve water by not watering the same night it rains. So, if the course is dry and there is a chance of overnight rain we do not set up the irrigation to run. Waiting until morning to water allows the golf course conditions to remain firm and also reduces the turfgrass disease pressure that is associated with heavily watered grass. Most turfgrass diseases are caused by fungi. How do fungi spread and infect large areas of turf? The answer is: through water. So, reducing water usage also reduces the possibility and severity of diseases.

Humidity levels play a big factor in daily watering. We may know it is going to be 90 degrees the next day, which most people would think to water the night before, however, if the humidity level is high then the evaporation rate is low and moisture stays in the turf and there is no need to irrigate. On the other hand, if the humidity is low and the temperature is 90 degrees in combination with a little wind, you may see turf wilt very quickly.

Syringing is a light application of water sprayed on the greens, tees and fairways during the heat of the day to reduce the turf canopy temperature by a couple of degrees. This is done because the turf at Seven Oaks is comprised mostly of creeping bentgrass and annual bluegrass which is properly pronounced *Poa annua* not *Po* *anna*. Creeping bentgrass has a drought mechanism which allows it to survive under the stressful summer heat. *Poa annua* or annual bluegrass does not have this mechanism, so by syringing the turf during the heat of the day we can lower the temperature at the turf canopy by a couple degrees which is often enough to allow the survival of the annual bluegrass.

It rained last night why are you watering today? During periods of high temperatures, the grass plant can not move enough water from the roots and out through the leaves to stay cool. A light syringing of water will help the plant out in these situations.

We will try to make your round as pleasant as possible by only watering during the day when it is absolutely critical to the health of the turf.

Dennis Kaminski, Golf Course Superintendent

## News from the Golf Shop

We would like to congratulate Mr. Mike Montelone and Mr. Russ Cage on their recent hole-in-ones! Russ carded his ace June 3<sup>rd</sup> on the 135 yard Hole #14 and it was witnessed by Mr. Don Cmar and Mr. Jim Bergandy. Mike shot his ace June 6<sup>th</sup> on the 154 yard Hole #11 and it was witnessed by Mr. Vaughn Vacar, Mr. Kurt Latshaw and Mr. Willie Rhodes. As part of the Hole-in-One Club at Seven Oaks Country Club, Mr. Cage and Mr. Montelone will receive \$300.00 each, golf shirts for all those playing in the group and a Hole-in-One plaque commemorating their accomplishment. Great shot gentlemen!

According to the National Hole-in-One Registry, the odds of the average golfer making a hole-in-one are 12,000 to 1. The National Hole-in-One Registry also says that there are roughly 450 million rounds of golf played each year in the United States, or approximately 25,000-30,000 per course. Each of those courses reports between 10-15 aces per year. That means a hole-in-one is scored once in every 3,500 rounds. Only 1-2 percent of golfers score an ace in a year and the average years of playing golf for a player before making an ace is 24.

The National Hole-in-One Registry also has other great facts regarding an ace...

- The odds of a Tour player making an ace: 3,000 to 1.
- The odds of a low-handicapper making an ace: 5,000 to 1.
- The odds of two players from the same foursome acing the same hole: 17 million to 1.
- The odds of one player making two holes-in-one in the same round: 67 million to 1.

**OPERATIONS & MEMBERSHIP DIRECTOR**

We have had a great start to summer season. June was very busy with the Men's Golf Invitational and the 40th Anniversary Celebration! I would like to thank our members and guests who participated in the Invitational as well as those that attended the 40th anniversary dinner. We had over 175 attendees and celebrated with great food, drinks, fireworks and music. The band was outstanding and we've heard nothing but compliments about the evening. Evenings like that are what clubs are all about! The weather held off and the fireworks show was magnificent. I again would like to thank everyone for their support.

The renovations have made a ton of progress this month and we were able to open up the locker rooms in the middle of June. We had a great evening during the locker assignment party. We can truly say that our club has one of the nicest locker room facilities in Western Pennsylvania! Our members were thrilled to see the new lockers and shower facilities and were very complimentary of the improvements. The concrete by the patio and Golf Shop has been completed and looks great! Dennis and his crew have begun seeding and patching the grass areas damaged by the construction. If you have not had a chance to see it, you need to check out the driving range! It has a whole new look and was a much needed improvement. The next steps are irrigation, leveling the area and then either seeding or laying sod on the range tee.

With all of the many great things going on at the Club, I am happy to welcome the many new members who have joined Seven Oaks in the month of June. I would like to thank all the members who have been referring potential new members. I would also like to thank Molly Verone who is our summer marketing intern and has done an outstanding job in recruiting new members to the Club. We have our summer membership offer in place, so if you know anyone interested in joining let me or Molly know. We would love to invite them for a round of golf, day at the pool, or dinner in the Grille Room.

Please join me in welcoming our newest members to the Club:

**From the Events Coordinator**

June was a very busy month at Seven Oaks. We hosted numerous special events including baby & bridal showers, graduation parties, anniversaries and end of the year banquets. We enjoyed a beautiful evening on June 23 as we celebrated the 40th Anniversary of Seven Oaks with a delicious buffet and an evening of dancing to Dr. Zoot. The celebration ended with a Zambelli fireworks display.

Independence Day on Wednesday, July 4, is a great day to plan on bringing your family and friends to the pool and/or the Grille Room for lunch or dinner!

Every Friday we have entertainment on the patio—it's a great place to dine, sit back and relax.

I am already reserving dates in December for private and business Christmas parties, so I encourage you to call soon to be sure to get the date you want! Thank you to our members for supporting your Club when it comes to celebrating special occasions. We can accommodate groups from 10-300, so don't hesitate to give me a call when you are planning an event.

Hope the month of July is great for everyone!!

**Keith's Korner**

I have had a few members ask me if the fountain will be replaced as part of the renovations to the Club. It will not be replaced and was not there when the Club opened in 1978. It was built shortly after by Paul Chekan, one of the two original maintenance men that worked at the Club.

Sadly, Paul passed away just a few months ago. The fountain was used for years as a wishing well and the coins were sent as donations to help build the Chapel in 1992 located adjacent to the GCU Home Office. It held more water than you would think. Anyone that can tell me the correct number of gallons of water has a free draft beer of their choice, coming their way.

Keith Hohenshel,  
Operations Manager

Hope you are enjoying your summer!

It has been an exciting year here at Seven Oaks with all the renovations and the fun events we have been having. We hope you continue to enjoy us as we head into some sunny warm weather.

The 40<sup>th</sup> Anniversary Bash was a bang and the Kidz Club enjoyed some baking with Bunnie. Father's Day was well attended and we thank you for spending time with your family with us.

As we look forward to the wine lockers and wine cooler being installed we are continually replenishing the wine list with some of the great features we taste at our Vintner Club events.

Please join us for the Long Ash Club events as we will be doing sliders and cigars pool side in July and a mini Clam Bake in August on the Sycamore deck.

As for all events we ask that you please make reservations so we can prepare properly.

We hope you enjoy the rest of the summer season and we look forward to servicing you!

## Summer Splash & Safety Update

Hello Seven Oaks Members! The summer is now well underway, and we are very pleased with how things have been going. We have lots more exciting events coming up for the rest of the summer, so please be on the lookout for announcements concerning upcoming activities! We are here to keep you safe and to ensure that your days at the pool are as fun and relaxing as possible. Please let us know if you have any suggestions for how we can make it even better! In the meantime, here are some tips for safety at the pool!

- ❖ Please watch your children constantly, especially if they are unable to swim on their own! Even if they are in a floatation device, they still need your supervision!
- ❖ Stay within arms reach of youngsters! Small children can easily lose their balance and tip over. Older children may need supervision as well.

- ❖ Make sure to take breaks often. People get tired out in the sun and don't even realize it! If you start to feel tired, it may be a good time to grab a drink or snack from our snack shop!
- ❖ Sunscreen is obviously important. If it's bright out, make sure to put it on and wear a hat or sunglasses to shield your eyes.
- ❖ Please protect the pool by making sure that small kids are in swim diapers and that cuts are cleaned and covered with band-aids.
- ❖ Lastly – have fun! This has been a great summer so far, and we are looking forward to the next two months!

Your Pool Managers,  
Nichole Cain, Zach Monit and Ian Miller
