October Course & Grounds Report

Frost Delays. As we enter the fall season, frost delays seem to dictate starting times, rather than sunlight. With the golf course being located in a valley, the air temperature is just a couple degrees colder than the air temperature at the top of the hill along Tuscarawas Road. Many days there is no frost at the GCU, but as you come down the hill everything turns white. We wait to allow traffic on frosty areas because when there is frost on the grass plant the cells that make up the leaf tissue and crown are frozen. If force is then applied, the ice inside each cell shatters the cell wall and causes damage to the plant. Waiting until the morning temperatures rise and the frost melts is necessary to maintain quality turfgrass. After the frost melts a further time delay is needed to prep the course ahead of play and this may take an extra 30 minutes to an hour depending on whether there is a shotgun start or tee times and the amount of grounds maintenance that needs to be accomplished for that day.

Level the Divot Sand. The sand bottles on the carts are to fill tee and fairway divots. After filling the divot, the sand must be leveled with your foot to make the sand level with the existing grade of turf. If sand is mounded and not level, then the fairway and tee mowers chew up the sand and this dulls their blades. The dull mower blades then rip the grass and cause an entry way for disease and reduce the overall appearance of the fairways and tees.

Dennis Kaminski, Golf Course Superintendent

News from the Golf Shop

The Golf Shop would like to continue to thank all the members and guests for their support of the club and please feel free to contact the Golf Shop anytime with any questions or concerns you may have. We would just like to remind members to call in advance for tee times so we can accommodate everyone throughout the remainder of the season and inform you of any outside events we may have.

You will notice this time of the season Dennis and his staff are working hard to improve the course which includes aerification of the greens, rough and fairways, slip seeding areas for growth and general maintenance for improvements. I would just like to remind players if your ball comes to rest in any of these areas you do receive free relief, no penalty under rule and you may place your ball no closer to the hole nearest point. Again, if you have any further questions about rules or the conditions of the course, please feel free to stop by the Golf Shop.

This year the Beer Belly Open will be held on Saturday, October 27th at 12 NOON. There are still plenty of spots left for this great event so just stop by the Shop or call 724-495-2770 to sign-up.

Also this fall, be sure to check out the Golf Shop for the end of the season sale which will included 50% off Men's and Ladies apparel, 50% off Golf Clubs and 50% off Gloves & Hats. For those of you that have credit in the Golf Shop, just a reminder that your credit must be used by December 1^{st} , 2018. Thank you again for a great season and see you on the course!

OPERATIONS & MEMBERSHIP DIRECTOR

Seven Oaks is a beautiful place in all of the seasons but there is something about the fall that makes it an even more special place. The scenery and terrain transform into a perfect back drop for our members and guests to enjoy, whether on the patio, the golf course, or a guest at a wedding. Keith Hohenshel often refers to the view of the golf course as a Bob Ross painting which I find to be quite accurate! I am looking forward to the cooler temperatures which will make for a perfect evening by the firepits on the patio. Even though summer is officially over we have a lot to look forward to in the upcoming months!

The first weekend of October we will be celebrating Oktober-fest on Friday the 5th on the patio and will be featuring German cuisine and beers. We are welcoming back the Mad Bavarian from Hofbrauhaus who will be enlightening us with German music as well as many of our favorite classics! We also will be hosting Sunday Brunch that weekend on October 7th. The Kids Halloween Party is on Friday October 19th and reservations have been coming in fast. The ever so famous Beer Belly Open is on Saturday October 27th. We already have 20 teams signed up! We plan to have a sellout crowd so be sure to call the Pro Shop to reserve your spot.

The elevator is finally up and running! I would like to thank all of our members for their patience in waiting for the completion and inspection of the elevator. This has been requested for quite a long time and I am happy to see this project get completed. It has made access to the Grille Room much more convenient for all members and guests. I had the chance to try the elevator out and I can say not only does it get you from point A to point B but the woodwork inside is beautiful!

We are currently at 83 new members for 2018 and we still have 3 months to go. Our end of year membership offer is in full swing and a great time for new members to join. If you have any family or friends who have been thinking about a Seven Oaks Membership, please let me know and I will gladly invite them down for a round of golf or dinner on the patio.

Please join me in welcoming our newest members to the club! Clifton Dietz Kevin and Joy McIlwain

Keith's Korner

The bulldozers have moved westward and the next phase of the housing plan is under way. There was at one time a small house near the road that was there when the property was purchased and after talking with Don Bailey who joined last year he

informed me that it was his grandmother's house. It was rented out by the GCU until it was torn down in the early 90's. Keith Hohenshel Operations Manager

From the Events Coordinator

The warm weather lasted a lot longer than we expected, but we really appreciated that gift from Mother Nature! The September golf outings took advantage of the beautiful weather and our golfers and tennis players have continued their regular play.

In the Clubhouse we are getting ready for some of our fall events. The Vintner Club members had a fun evening tasting wines from the Steele Vineyard and Chef Greg did an outstanding job with the foods, especially the scallops! The October theme for the Vintner Club tasting is "A Ghoulish Tasting," watch for the details for another enjoyable evening. Our annual family Halloween Party will be Friday, October 19, where we will have an evening of great food, hayrides, games and dancing with DJ Scott Miser. Don't forget to make your reservation for that fun family evening! The annual Beer Belly Open is Saturday, October 27, and the spots are filling up quickly.

If you are planning a holiday party for work or family, consider having it at the Oaks. Chef Greg can create a menu just for you, or you can select from our delicious buffet and plated menus. We have rooms to accommodate small and large parties, including the Champions Lounge, located near the Grille Room. Maybe, rather than a full menu, you would could host a cocktail party. Our culinary team has quite an array of hot and cold appetizers that can be stationed or passed by our servers. That makes for a really special evening!

Don't hesitate to call me if you are thinking about hosting a party-I will help you will all the details!

Ellen Policastro, Catering & Events Coordinator
