May Course & Grounds Report

Turf Tips for May:

☼ May is an important month to prepare the golf course and your lawn for the summer season. During this month, ideal temperatures and moisture levels occur that are needed to germinate seed planted in bare areas, and for great success it is very important to work the seed into the soil, lightly compact, and then use just enough daily water to keep the new seedlings moist but not too wet.

☼ Core aeration is another task that should take place during this time so the turf can heal before rising summer temperatures begin. Benefits from aeration include: thatch reduction, larger root masses, proper soil and air porosity, and increased drainage.

☼ By the beginning of May, pre-emergent crabgrass control should be applied before crabgrass seeds start to germinate. Pre-emergent types of herbicides are most effective if applied before a light rain with accumulations of at least one quarter to one half inch. **Caution:** The herbicide in pre-emergent crabgrass control will also kill newly emerging seedlings that you planted in the bare areas. Make sure you read and follow all labels and if you have any questions many bags have toll-free numbers or websites you can contact for help.

☼ Broadleaf weeds can also be controlled by applying a weed-n-feed fertilizer. The key to good control is to apply the weed-n-feed when the grass blades have dew on them, so that the fertilizer prill with the weed killer sticks to the weed and does not fall to the ground. These weed killers need long-term contact with the weed and should be applied when it will not rain for a couple days. Be aware that if you target both crabgrass and broadleaf weeds with two separate applications, that the herbicide is usually applied to fertilizer granules which act as the carrier and contain nitrogen. Over applications of nitrogen will cause substantial growth and the grass to be too succulent which is not healthy.

☼ Purchase a rotary spreader not a drop spreader to spread your granular fertilizers and never throw any herbicides or fertilizers by hand- you will kill grass and not have good coverage. Spreader settings listed on bags are not accurate and should only be used as a starting point for calibrating your spreader.

OPERATIONS & MEMBERSHIP DIRECTOR

The weather has finally broken and the smell of fresh cut grass and the sounds of birds fill the air! After a long winter it is amazing how everything at Seven Oaks comes to life! The patio furniture is all set and ready for a fantastic season of great food and Friday entertainment! We have a list of all of the Friday entertainment through June in this issue of the Oak Leaves! We will kick off the season with one of our favorite duos "The Maybrayz" which will also kick off Memorial Day weekend! Memorial Day weekend also means the eagerly anticipated opening of the pool! Brian Thompson, our Maintenance Manager, has been working hard with his crew to have it ready and will begin filling the pool at the beginning of the month so it is nice and warm for the opening!

We had a very busy April with Palm Sunday and Easter along with many other banquets and events. I would like to thank all of our members and guests who came to our Palm Sunday and Easter Brunches. We ended up with 575 people for Easter and look forward to topping that number on Mother's Day! Be sure to make reservations asap.

The upstairs renovations are moving along and the new lobby and furniture look great! We will begin installing the glass railing and hope to open up the staircase in the near future. The lobby bathrooms are also near completion and look great! Despite the weather we made a lot of progress on the new cart paths. The back nine is complete and if we have good weather we will have the front nine completed in no time! Membership is also doing well with 20 new members so far this year. Our Spring membership offer is underway. If you have any friends or family interested in membership be sure to have them contact Molly Verone and she will gladly explain all of the details! Please join me in welcoming our newest members to the Club!

From the Events Coordinator

Springtime at Seven Oaks is a beautiful thing! It was great to see so many members and guests at the Palm Sunday and Easter Sunday brunches. Our next big brunch is Mother's Day, May 12. Don't forget to make a reservation and treat mom to a beautiful buffet!

We have so many special events booked at the Club for May-First Communion luncheons, as well as baby showers and bridal showers, and graduation parties. We are happy that so many of our members are coming to Seven Oaks to celebrate these milestones! Please don't hesitate to call if you are planning a special party or dinner; I would love to help you plan your event. Chef Art and the culinary team are ready to create a special menu just for you!

The pool will be opening for Memorial Day weekend and we are looking forward to another great summer at the Oaks. Don't forget that you can plan your event using our Tennis Deck as well as the Swimming Pool.

Keith's Korner

Since I started at the Club, I have seen three different clubhouse lobbies. The original lobby had a red rug and a huge spiral chandelier. The second lobby featured new carpet and furniture as part of the 1989 renovations—the emphasis at that time was the Hickory Suite and Oak Room. I will have to say that the lobby we have now is the winner. I helped out with this and several other projects for the last month and I'm excited to see everything wrapping up. Thanks to everyone for their patience during this time of construction. Pictured is the lobby as it appeared in 1978 when the Club opened.

Seven Oaks Tennis News at Seven Oaks

In two recent studies, tennis players were shown to live longer lives than people who played any other sport. Researchers found that people who played tennis added an average of 9.7 years to their lives, compared to 3.2 for jogging and 1.5 for those who worked out in health clubs. Emotionally, tennis offers a built-in social component. It turns out that in trying to pummel your opponent (all in a good, friendly manner, of course) you are helping your own psychological well-being. And...tennis is fun! So, it's time to get out your racquet and enjoy tennis at the beautiful Seven Oaks har-tru courts!
