OPERATIONS & MEMBERSHIP DIRECTOR

We had a great opening weekend at the pool and I would like to thank everyone who came out to enjoy Memorial Day at Seven Oaks. We had wonderful weather and I hope this is a sign of how the rest of the summer will go! I wanted to also thank Joe Morris who was our D.J. on Memorial Day and will also be joining us on July 4th.

Renovations are moving along—the lobby and bathrooms will be completed the first week of June. The next step will be to renovate the Oak Room bathrooms and the offices. The cart paths are also moving along smoothly and Dennis did a great job in replacing the drainage on holes 2, 3, 7 and 8. Now that the drainage is replaced, the pavers can continue finishing up the front nine. The bridges are the next project on the course. The driving range opened in May and I have had members tell me that it was worth the wait. It really came out great and I encourage everyone to check it out!

Membership has also significantly increased the past month with 24 new members in May alone and 45 for the year. I would like to thank Molly Verone for her efforts. If you have any friends or family interested in joining be sure to have them contact Molly. The whole facility is in fabulous shape with all of the renovations the GCU has invested in. We should all be proud to be a part of Seven Oaks and to keep the tradition started in 1978 going.

Please join me in welcoming our newest members to the Club!

From the Events Coordinator

It's summertime again at Seven Oaks and we are all looking forward to the sunshine and great events that are planned. Mother's Day was such a beautiful day and it was so nice to see everyone who came for the brunch. Our next brunch will be on Father's Day. Chef Art has a great menu planned for the brunch and for later in the Grille Room, so don't forget to make your reservations!

The pool is open and I know the kids are looking forward to spending some time with their friends. Don't forget that we do reserve the canopy for personal pool parties. Give me a call and I can help you plan a fun event by the water.

The Club has had a couple very busy months hosting events of all kinds, and we are already booking holiday parties. If you need a space to host a party, don't hesitate to give me a call, I will make your planning easy.

Don't forget to check out the Long Ash, Barley & Hops, and the Vintner Club events. It's a great way to meet new friends and enjoy an evening at the Oaks.

on the player's USGA Handicap Index and the set of tees played (Orange or Red). If you are the age of 65 plus your handicap equals 80 or more, you may play the Red Tees with a 2 shot deduction to your handicap.

The Shootout Format and number of teams advancing to the playoff will be determined based on the level of participation for the event. The top two teams from each flight will qualify for a 4 hole, alternate shot shootout. If there are seven or more flights, only the winning team from each flight will advance to the Shootout. In the event that a flight has two teams tied for second, a sudden death playoff will start on the 9th from the 150 yard marker until there is a winner. There will be no handicap strokes on these playoff holes and we will be using the better ball format. In the shootout, holes #6, #7, #8 & #9 will be used and a pre-determined number of teams will be eliminated for each of the first three holes based on the highest scores(s) for such hole, with ties being broken by a chip off. In the event the two remaining teams are tied, a sudden death playoff will start on hole #1 and alternate between holes #1 & #18 until a winner is determined.

I hope to see everyone at the club enjoying the summer weather that never seems to last long enough so make some time to come see us!

Situated on the slopes of the Helderberg Mountain in the heart of South Africa is Stellenbosch, the most famous wine region. It is the historical center for the wine industry and viticultural education. The vineyards are commonly referred to as the "Home of Chenin Blanc," garnering Ken Forrester the title of Mr. Chenin. The vineyard was first planted in 1833 with Ken Forrester and his family reviving the property in 1993, and now celebrating 25 years of wine production. Regionally it is generally Mediterranean in climate and it benefits from the cooling breezes from False Bay.

Featured Wines:

- Ken Forrester Petit Chardonnay
