

# July Course & Grounds Report

Why are the sprinklers running during the day? There are several reasons for watering during the day. One of which is to preserve water by not watering the same night it rains. So, if the course is dry and there is a chance of overnight rain we do not set up the irrigation to run. Waiting until morning to water allows the golf course conditions to remain firm and also reduces the turfgrass disease pressure that is associated with heavily watered grass. Most turfgrass diseases are caused by fungi. How do fungi spread and infect large areas of turf? The answer is: through water. So, reducing water usage also reduces the possibility and severity of diseases.

Humidity levels play a big factor in daily watering. We may know it is going to be 90 degrees the next day, which most people would think to water the night before, however, if the humidity level is high then the evaporation rate is low and moisture stays in the turf and there is no need to irrigate. On the other hand, if the humidity is low and the temperature is 90 degrees in combination with a little wind, you may see turf wilt very quickly.

Syringing is a light application of water sprayed on the

### OPERATIONS & MEMBERSHIP DIRECTOR

June flew by and we had a great month at the Club other than the wet weather. Unfortunately we had to close the pool several times due to the inclement weather, but finished the month off strong with some much needed sunshine! The lobby renovations are finally completed as well as the lobby bathrooms—they turned out fantastic. I have had nothing but compliments from our members and guests about the glass railing and overall ambience of the lobby. We are now working on remodeling the restrooms in the Oak Room to complete the upstairs. The cart path renovations should be done in July, assuming we have better weather. They look great thus far and Dennis has done a wonderful job on replacing the bridges.

I am looking forward to our 4<sup>th</sup> of July festivities at the Club. The pool will be jamming with D.J. Joe Morris accompanied by the pool side cook out! The golf course and Grille Room will also be busy, so be sure to make tee times and reservations.

Membership continues to grow—the renovations have been a huge factor in bringing in new members. I feel this momentum will continue in July as we are still been getting many inquiries for membership. If you have any friends or family interested in membership, be sure to have them give Molly Verone a call, she will gladly explain our current offers.

I wish everyone a Happy 4<sup>th</sup> of July and look forward to seeing all of our members through the month!

# From the Events Coordinator

June was a very busy month at Seven Oaks. We hosted numerous special events including bridal and baby showers, graduation parties, anniversaries and end of the school year banquets. It has been a little slow at the pool because of all the rain, but we are hoping for a hot July!

Independence Day is Thursday, July 4 and it will be a great day to bring your family and friends to the pool. We have a poolside buffet from 12 NOON-3 PM with some delicious summertime salads and picnic foods. There will be a select Grille Room menu all day if you want to take a break from the sun.

Every Friday we have entertainment on the patio—it's always a great place to dine, sit back, and relax.

The Club is already reserving dates in December for private and business Christmas parties, so I encourage you to call soon to be sure to get the date you want.

Thank you to our members for supporting the Club when it comes to celebrating special occasions. We can accommodate groups from 10-300, please don't hesitate to give me a call when you are planning an event.

Hopefully the month of July is a little drier and sunnier and the kids (and adults) can get some pool time in!

Ellen Policasto, Catering/Events Coordinator

### Keith's Korner

I sure hope July has better weather to offer than June—it would be great to see more members having a chance to use the pool and golf course. Here is a picture taken the day we closed the course due to the amount of rain received the night before.

The old bridge was not washed away by the storm, it had already been removed to make way for the new bridge. Mother Nature however decided to make us wait an extra day to install the new one.

Happy

greens, tees and fairways during the heat of the day to reduce the turf canopy temperature by a couple of degrees. This is done because the turf at Seven Oaks is comprised mostly of creeping bentgrass and annual bluegrass which is properly pronounced Poa annua not Po anna. Creeping bentgrass has a drought mechanism which allows it to survive under the stressful summer heat. Poa annua or annual bluegrass does not have this mechanism, so by syringing the turf during the heat of the day we can lower the temperature at the turf canopy by a couple degrees which is often enough to allow the survival of the annual bluegrass.

It rained last night why are you watering today? During periods of high temperatures, the grass plant can not move enough water from the roots and out through the leaves to stay cool. A light syringing of water will help the plant out in these situations.

We will try to make your round as pleasant as possible by only watering during the day when it is absolutely critical to the health of the turf.

## Seven Oaks Tennis News at Seven Oaks

It has been a great start to the 2019 tennis season on the beautiful Seven Oaks Har-Tru courts. While June brought the "Dust Off Your Racquet" clinic, the "Member/Guest Doubles" and the first clinic for kids, July has even more events in store!

For adults, there is the continuation of the Club Championships for men and women. Friday, July 5 is the beginning of the "Woodie Weekend"—yes, it's all wood racquets! Our Open Tournament begins Friday, July 19 and Tuesday Mixed Doubles and WOW on Wednesdays continue each week at 6:30 pm.

For children, our second clinic runs Tuesday-Thursday, July 9-11. We also continue our weekly Tuesday & Friday High School/College Clinics.

Remember... Please do not play on the courts if puddles exist and when you turn the lights on, always turn off the lights before leaving. Proper tennis attire is required (shirts, tennis shoes, ect.). To reserve a court or to meet any other tennis needs, please call Terri, Beth or myself at 724-495-3300 x 257 or 724-624-6692. There is a fee for guests.

See you on the courts!
