SEVEN OAKS COUNTRY CLUB
DENNIS KAMINSKI GOLF COURSE SUPERINTENDENT

We have been trying to keep up with the quickly growing grass which is challenging enough this time of year but when you add in a few major windstorms it becomes very difficult to keep up with things. The mowers that we use on greens, tees, approaches and fairways are reel type mowers and they work like a pair of scissors. These reels cut the grass between two metal surfaces called the bedknife and the reel, so it is imperative that they don't mow over sticks in order to stay sharp.

The rough is mowed with rotary mowers like your home lawnmowers and uses a spinning metal blade which can also dull when cutting into sticks. Another negative to not picking sticks before mowing is that every time you run over or cut a stick it becomes more difficult to clean up later due to being pushed into the ground and also turning one stick into many smaller sticks that are harder to pick up.

We have aerated all the greens and continue to apply pre-emerge crabgrass control, broadleaf weed control and grub control products. Bunker maintenance will be completed once we are able start bringing more staff back.

Keith, Owen, Mike and Leonard will be here to take care of everyone. We are asking all our members to abide by the following guidelines which are subject to change as the state progresses in opening. If anyone has any questions, please feel free to contact me at any time.

SEVEN OAKS—OAK LEAVES

SEVEN OAKS COUNTRY CLUB
CHRIS JUBA DIRECTOR OF OPERATIONS & MEMBERSHIP

It has been a long couple of months however I am very excited to announce that the golf course is opening May 1! We will be following all CDC guidelines and taking all precautions necessary to keep our members and staff safe. The forecast for May looks wonderful and we are going to be very busy! I cannot stress enough to our members to be sure to make tee times. Members can do so by calling the front desk at 724-495-3300. The Golf Shop is nearly finished. The granite countertops and windowsills will be installed in mid-May. In the meantime, I will be working with the staff to stage the new merchandise in the beautiful new Golf Shop! The Ice Breaker Scramble has been postponed and will most likely be the Fall Scramble. We will announce a date once one is finalized. All other golf committee events will be held as scheduled with the first one being the Batyko-Juba on Saturday May 16!

We will continue doing “to go” orders in the month of May, however, we have extended our days to Wednesday through Sunday. Chef Art has made some fabulous features for the month and we have had great support from our members! If anything changes with dining, we will be sure to inform our everyone. We are looking forward to a very busy Mother’s Day as we already have many take homes orders!

I want to thank all our members for their patience and support during this tough time. I am glad to see that Pennsylvania is slowly opening back up. As of now we plan on opening the pool on Saturday May 23 and will be following all CDC guidelines. If anyone has questions or concerns, please be sure to contact me at any time!

SEVEN OAKS COUNTRY CLUB
KEITH HOHENSHEL OPERATIONS MANAGER

I walked into the Golf Shop back in January and noticed a few changes were taking place just like in our regular lives. As of now I am helping to get the swimming pool ready and the high temperature today was 37 degrees! I am making the best of all of this by staying positive and taking a better look at the good things like the fact that helping at the pool has given me weekends off this was the first Easter that I was home to eat dinner since 1985! But those of you who know me best, know that I cannot wait to get back to my regular routine which puts me at the Club by 6 AM every Saturday and Sunday to take care of our members who want to be there as well.

SEVEN OAKS COUNTRY CLUB
ELLEN POLICASTRO CATERING & EVENTS COORDINATOR

First of all, I have to say that I really miss seeing everyone! It was quite a different month of April at Seven Oaks! We missed seeing the kids on Palm Sunday searching for Easter Eggs and we really missed our beautiful Easter Sunday Buffet.

Hopefully we will be able to have our events again in the very near future, but in the meantime, I have still been scheduling Club events and private events for the summer and beyond. In fact, once we are able to reopen, we will be quite busy.

If there is an event that you are thinking about- birthday, anniversary, shower or any type of private party, you should call to secure a date. So many of the events that were scheduled in April and May have just postponed and rescheduled later in the summer or fall, so my book is really filling up!

Thanks to all our members who have continued to support the Club by calling for “to-go” foods. Friday nights in March and April were just so busy with to-go items and we will continue offering some great food for you to pick up. Chef Art and his culinary team have been offering some delicious menu items.

As the saying goes, we are all in this together, so let’s make the best of it!

SEVEN OAKS COUNTRY CLUB
MOLLY VERONE ADMINISTRATIVE ASSISTANT

My first few months of working full-time have flown by! I have really been enjoying working at the Club.

Even though, I have only worked here full-time for a short time, I have so many great memories growing up at Seven Oaks. Some of my favorite memories are taking junior golf lessons, the summer tennis clinic with Barry and Beth and of course, swimming at the pool! I hope that your families are also making great memories here, too!

I am excited to announce that craft day is coming back to the pool this summer! Every Wednesday, there will be a craft station with different weekly crafts for the kids.

Please join me in welcoming our newest members to Seven Oaks!

The DIRTY Apron
with **ART MANGIE** EXECUTIVE CHEF

So, you wanted to be a Chef...

A column written by Chef Art to keep you updated on new and old food trends:

Chimichurri - A thick herb sauce which is as common in Argentina as ketchup is in the United States. Chimichurri is a marriage of olive oil, sherry vinegar, finely chopped parsley, oregano, cilantro, shallot, garlic, and pepper flavors. It is a must on grilled meats and a variety of other dishes.

Oishii Shrimp - Our house shrimp cocktail harvested though dedicated small-batch from proprietary pond construction, cutting edge farming techniques and strict water quality monitoring. A harvesting of shrimp goes from swimming to frozen in less than four hours.

Sirloin Steaks - Cut from the sirloin, the subdermal posterior to the short loin where the T-bone, porterhouse, and club steak cut, the sirloin is divided into several types of steaks, the top of the sirloin is the most prized.
