SEVEN OAKS—OAK LEAVES

SEVEN OAKS COUNTRY CLUB
DENNIS KAMINSKI GOLF COURSE SUPERINTENDENT

Why are the sprinklers running during the day? There are several reasons for watering during the day. One of which is to preserve water by not watering the same night it rains. So, if the course is dry and there is a chance of overnight rain we do not set up the irrigation to run. Waiting until morning to water allows the golf course conditions to remain firm and also reduces the turfgrass disease pressure that is associated with heavily watered grass. Most turfgrass diseases are caused by fungi. How do fungi spread and infect large areas of turf? The answer is: through water. So reducing water usage also reduces the possibility and severity of diseases.

Humidity levels play a big factor in daily watering. We may know it is going to be 90 degrees the next day, which most people would think to water the night before, however, if the humidity level is high then the evaporation rate is low and moisture stays in the turf and there is no need to irrigate. On the other hand, if the humidity is low and the temperature is 90 degrees in combination with a little wind you may see turf wilt very quickly.

Syringing is a light application of water sprayed on the greens, tees and fairways during the heat of the day to reduce the turf canopy temperature by a couple of degrees. This is done because the turf at Seven Oaks is comprised mostly of creeping bentgrass and annual bluegrass which is properly pronounced **Poa annua** not **Po anna**. Creeping bentgrass has a drought mechanism which allows it to survive under the stressful summer heat. **Poa annua** or annual bluegrass does not have this mechanism, so by syringing the turf during the heat of the day we can lower the temperature at the turf canopy by a couple degrees which is often enough to allow the survival of the annual bluegrass.

Well it rained last night how come you are watering today? During periods of high temperatures the grass plant can not move enough water from the roots and out through the leaves to stay cool. A light syringing of water will help the plant out in these situations.

We will try to make your round as pleasant as possible by only watering during the day when it is absolutely critical to the health of the turf.

JASON HAMMEL PGA HEAD GOLF PROFESSIONAL

It has been a great start here at the club for me, as I have felt a huge warm welcome back to Western PA. Now that I have a couple weeks under my belt, I have started learning as many names, faces, and groups as I can. I am typing this on the first official day of summer and it's time to hit the ground running. Some of the things that we will host are Couples Golf nights, Ladies clinics with 9 Hole Play Days, a Junior Golf program, and a Get Golf Ready session. I know we are already in July and we have a late start on things. Some of that is still due to the COVID-19 situation, and some of that is due to me not getting here until June. Once we finalize dates for things, we will get the word out as soon as possible. I promise we will have some excitement around the golf course this season and many more after. If you have not stopped in to meet me yet, please do. I will be floating around the Golf Shop as much as possible this summer. Even though I am new to the facility, I am jumping right in to booking lessons. Please see me for any help I can give you related to your golf game. As you are reading this, hopefully I survived the Men's Invitational!

2020 Men's Golf Committee Tournament Schedule

SEVEN OAKS—OAK LEAVES

SEVEN OAKS COUNTRY CLUB
CHRIS JUBA DIRECTOR OF OPERATIONS & MEMBERSHIP

Dear Seven Oaks Members,

It has been a fabulous June across the board! Despite the situation in the world we truly made the best out of it here at Seven Oaks. The pool opened May 29th and we are now on our 4th weekend of outside dining and our 2nd weekend of inside dining at 50% capacity. We have been sold out every weekend on the Patio and I want to thank all of our members for their support! Our Friday night entertainment has been a big hit and will continue until the end of summer! We have had a much better month weather wise compared to past years as we only have had to close the pool on a couple occasions. I am going to keep my fingers crossed that this weather continues into July!

I have talked with many of our golf members and they feel that the course conditions are the best that they have ever seen! I want to thank Dennis and his crew for a magnificent job in keeping our grounds beautiful. I am sure many of our members noticed our new clock! What a magnificent addition to the ambiance of our club as wedding parties for generations will be getting pictures in front of it!

Our new Golf Pro, Jason, has his first month under his belt and he is another great addition to the club! Jason has brought a lot to the table in terms of our golf operations and we look forward to what the future brings. All of these great investments have paid off as we are up to 110 new members!! Molly and Cassie have done an outstanding job as we have already surpassed our total number of new members we had for 2019, and it is not even July!

We have a ton of momentum heading into mid-summer and look forward for that to continue with great weather, new members and great times on the patio!

SEVEN OAKS COUNTRY CLUB
MOLLY VERONE ADMINISTRATIVE ASSISTANT

I cannot believe that it is already July! I hope that everyone has had a great start to summer so far. It has been awesome seeing everyone at the pool, sitting outside on the patio and on the Golf course.

I want to remind everyone that if you would like to make any reservations for the Grille Room, or Clubs within Club events, please feel free to call me at the front desk.

I am excited to announce that we have over 100 new members for this year! I would like to thank all of our members for referring their friends and family to the Club. If you know anyone who is interested in joining, please feel free to give them my contact information.

Please join me in welcoming our newest members!

SEVEN OAKS COUNTRY CLUB
ELLEN POLICASTRO CATERING & EVENTS COORDINATOR

June was a very busy month at Seven Oaks! I think everyone was so happy to get out of the house again. The patio has been filled every Friday and Saturday and the pool has been very busy. We have had quite a few pool parties already and many more booked for July and August. If that is something you would like to do, give me a call! You can reserve the canopy during the regular pool hours, or you can choose to have a private party after 8 PM.

Independence Day is Saturday, July 4, and it will be a great day to bring your family and friends to the pool or to the Grille Room for a delicious meal.

Every Friday we have entertainment on the patio-it's always a great place to dine, sit back, and relax. Please call for a reservation, especially for Friday and Saturday evenings. If you are celebrating a birthday, anniversary, or any special occasion when you are coming for dinner in the Grille Room, let us know and I can arrange for you to have a beautifully decorated cake for your group. The cost will depend on what you choose. We always have yellow or chocolate decorated cakes if you need something at the last minute. Just let us know when you make your reservation.

I am already reserving dates in December for private and business Christmas parties, so I encourage you to call soon to be sure to get the date you want.

Thank you to our members for supporting the Club when it comes to celebrating special occasions! We can accommodate groups from 10-300, so don't hesitate to give me a call when you are planning an event.

SEVEN OAKS COUNTRY CLUB
KEITH HOHENSHEL OPERATIONS MANAGER

Does anyone really know what time it is? A great song by the band Chicago and one less question I should be asked as we now have a beautiful clock located on the lawn by number one tee. I noticed when coming to work the other day before daylight that it is illuminated so in the evening it can be seen from the patio and lobby.

So, you wanted to be a Chef...

A column written by Chef Art to keep you updated on new and old food trends:

Gelato - The Italian word for “ice cream.” Gelato contains 70% less air as its American counterpart. Therefore, it has a denser texture with more flavoring than other frozen dessert, which makes it very rich.

Kurobuta Pork - This is name for a certain quality of pork. Kurobuta pork comes from Berkshire pigs. Not all meats from Berkshire pigs qualifies as Kurobuta. This pork is darker than standard pork, and has a richer taste with a soft white fat and good marbling throughout the meat.

Black Garlic - This garlic is made when heads are aged under specialized conditions of heat and humidity. First used as a food ingredient in Asian cuisine, the chemical process produces new flavors such as sweet and syrupy with hints of balsamic vinegar. Black garlic has become a sought-after ingredient used in high-end cuisine.

SEVEN OAKS COUNTRY CLUB
BARRY BORZA SEVEN OAKS TENNIS DIRECTOR

We’ve binged watched The Office, burned cookies, did puzzles and crafts, cut our own hair and made our own hand paintings. It’s now time to get back on the courts at beautiful Seven Oaks! We have continued to abide by the direction of the USTA and have enjoyed tennis in a new normal kind of way. We continue to encourage our members to reserve court times. We want to remind you to bring water and we are also locking the courts at night. We are available from 10 AM to 6 PM daily (except Mondays) but play is possible at other times by request.

Yoga (with proper social distancing) is being offered back on Monday evenings at 6 PM on the grassy area below the tennis courts and WOW has become WOWW (Women on Wednesday Walk) with a bit of tennis mixed in. We appreciate the support of our tennis family and from Chris and Molly as we make your safety our priority. We are hoping that clinics, events, and parties may still happen and when they do, we will be sure to contact you.

724-624-6692 or 724-417-0984

P. S. REMEMBER:

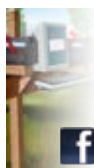

- ❖ Proper tennis attire is required-shirts, tennis shoes, etc.
- ❖ Do not play if puddles exist as it may damage the courts.
