SEVEN OAKS COUNTRY CLUB
DENNIS KAMINSKI GOLF COURSE SUPERINTENDENT

Green speeds are influenced by many different inputs. They include: humidity levels, grass types, rainfall amounts, temperature highs and lows, fertility levels, turf density, mowing height, mowing frequency, irrigation frequency, rolling frequency, shade from trees, air movement, slope, thatch levels, growth regulation, and lastly whether the green is constructed from sand or soil.

While some of these inputs are controlled by the grounds staff some are also controlled by their micro environment and construction. For instance, greens 13, 14, 15 are dry greens because they are up on the hill where there is more wind and full sun. Greens 4, 12, and 17 maintain moisture longer due to being tucked into shaded areas. Greens 5 and 7 are constructed with sand so they dry out quicker than the other greens.

2020 Men's Golf Committee Tournament Schedule

SEVEN OAKS COUNTRY CLUB
JASON HAMMEL PGA HEAD GOLF PROFESSIONAL

We are flying through the season with tons of events and happenings on the golf course. The Junior Golf Program saw 44 kids sign up and we are halfway through our 6-week program. If you play on the weekdays here, you really cannot miss them.

In addition to that, we have started Couples Golf on Fridays and Ladies Golf on Wednesdays. I had 11 ladies sign up for my 30-minute clinic and 9 holes (and a few free appetizers after the round!) on July 19 and we are looking to build on that. The dates going forward will be August 5 and 19 and September 2, 16 and 30. We start the instruction at 5 PM and play golf at 5:30 PM.

I want to recognize the three Hole-In-Ones we have had so far this season. Paul Royba was the first of the year to hit one in on Hole #14. Geoffrey Herald had an All-American Ace on July 4 during his morning round on Hole #4. Also in July,

our most recent, Mike Banchero hit a ball with a 5 hybrid on Hole #8 that hit right next to the pin and fell home. Great shots, guys!

SEVEN OAKS COUNTRY CLUB
CHRIS JUBA DIRECTOR OF OPERATIONS & MEMBERSHIP

What a fabulous two months we have had in June and July. The weather has been on point and this is one of the hottest Julys I remember in a long time! I am going to keep my fingers crossed for it to continue through August and even the Fall! I love going by the pool each day and seeing our members having a great time and appreciate all the waves as I pass by. I look forward to a great August and Labor Day.

The Grille Room and Patio have been very busy, especially on Friday nights! I want to thank all our members for their support as the Grille Room has been doing great despite the COVID -19 restrictions.

The Patio has consistently been sold out every single Friday! We plan to keep the tent up through September so we can accommodate more members and guests. While I am on the subject of the Grille Room, I want to welcome Derek Ruby to our culinary team. Derek will be starting at the end of July as our Executive Sous Chef. Derek was the Executive Chef at North Country Brewery in Slippery Rock, The Harmony Inn and most recently was at Napa Prime in Cranberry, which is a very high-end steakhouse. I look forward to Derek bringing his expertise to our team.

Membership continues to boom with over 132 new members this year! Molly continues bringing them in and we want to thank our members for all their referrals. We still have plenty of swimming and golf this year so if you have any friends or family interested in membership, please have them give Molly a call. Now is a great time to join, as new members will lock in their spot for next season!

Again, I want to thank all our members for their support and look forward to a wonderful August!

KEITH HOHENSHEL OPERATIONS MANAGER

Here is a fine example of what we call "in house". These folks are not working for a landscape company, they are the grounds crew and Club maintenance staff sodding the area around the new clock. We all appreciate their hard work and dedication.

ELLEN POLICASTRO CATERING & EVENTS COORDINATOR

Can it really be August already? Summertime at Seven Oaks has been quite eventful even though we are dealing with restrictions.

Our final night swim of the season is scheduled for Saturday, August 14, so why not plan to spend the evening under the stars at the swimming pool? The snack shop will be open until 9 PM and the Soaks Bar will stay open until 10 PM.

Seven Oaks Swimming Pool

If you're planning a family reunion, a high school reunion, or a get-together with friends and family, why not consider having your event at Seven Oaks? We have a variety of menus to choose from and Chef Art is always good at creating something new and tasty just for you and your guests. I have already booked rooms for the holidays for office luncheons and evening parties, so if you are considering holding an event, give me a call and let me work out the details.

The staff at the Oaks is dedicated to making your event a time to remember. Leave the work to us; just show up with your guests and enjoy an afternoon or evening with your family and friends.

If you are celebrating a birthday, anniversary, or any special occasion when you are coming for dinner in the Grille Room, let us know and I can arrange for you to have a beautifully decorated cake for your group. The cost will depend on what you choose. We always have yellow or chocolate decorated cakes if you need something at the last minute. Just let us know when you make your reservation.

Let's get the most out of this beautiful country club before the summer is over!

SEVEN OAKS COUNTRY CLUB
MOLLY VERONE ADMINISTRATIVE ASSISTANT

I cannot believe how fast summer has gone by! I hope that August brings us more great weather!

The Patio has been very busy on Friday nights for the live music, which will continue into August and September. Reservations are highly recommended for both Friday and Saturday nights. Please feel free to call me at the front desk to reserve your spot.

I would like to thank our intern, Cassie for all her hard work this summer! She has done a fabulous job and will really be missed as she goes back to school.

The **DIRTY** Apron with **ART MANGIE** EXECUTIVE CHEF

So, you wanted to be a Chef...

*A column written by Chef Art to keep you updated
on new and old food trends:*

Salad Niçoise: A salad that originated in the French city of Nice. It is traditionally made with tomatoes, hard boiled eggs, Niçoise olives, anchovies, or tuna, and dressed with olive oil. It has been popular world wide since the early 20th century and has been prepared and discussed by many chefs. Gordan Ramsey once said and called it, "one of the best combinations of summer ingredients ever invented."

Burrata: A perfect blend and taste of contrasting textures working together. It's a soft-shell Mozzarella wrapped around a creamy center which delivers a clash of sensation and a buttery consistency unlike any other. When cut open, the creamy interior is revealed as it slowly seeps from the center like a rich cream. Mild, smooth, and fresh burrata will seduce your palate.

Pork Belly: Like bacon, it starts out from the underside. It is the flesh that runs on the underside of the pig. Pork belly is uncured, unsmoked, and unsliced bacon. Typical American bacon is cured salted and smoked.

SEVEN OAKS COUNTRY CLUB **BARRY BORZA** SEVEN OAKS TENNIS DIRECTOR

It has been so good to get on the court this summer. We have tried to provide a variety of hitting options and have been busy even during the hot days. We do miss the clinics and parties but have found ways for so many of our tennis friends to play.

July brought a fun-first Re-Open doubles tennis tournament. August brings the club championship and a high school/college tune-up.

Players are reminded to bring their own water and to text or call to reserve a court. WOW or WOWW (Women on Wednesday Walk) continues to meet for hitting and a stroll.

We appreciate your support in providing a safe and fun environment for all at Seven Oaks tennis.

See you on the courts!

724-624-6692 or 724-417-0984

P. S. REMEMBER:

- ❖ Proper tennis attire is required-shirts, tennis shoes, etc.
- ❖ Do not play if puddles exist as it may damage the courts.
