## SEVEN OAKS—OAK LEAVES

**SEVEN OAKS** COUNTRY CLUB  
**DENNIS KAMINSKI** GOLF COURSE SUPERINTENDENT

### Frost Delays:

As we enter the fall season frost delays seem to dictate starting times rather than sunlight. With the golf course being located in a valley the air temperature is just a couple degrees colder than the air temperature at the top of the hill along Tuscarawas road, so many days there is no frost at the GCU, but as you come down the hill everything turns white. We wait to allow traffic on frosty areas because when there is frost on the grass plant the cells that make up the leaf tissue and crown are frozen. If force is then applied, the ice inside each cell shatters the cell wall and causes damage to the plant. Waiting until the morning temperatures rise and the frost melts is necessary to maintain quality turfgrass. After the frost melts a further time delay is needed to prep the course ahead of play and this may take an extra 30 minutes to an hour depending on whether there is a shotgun start or tee times, and also the amount of grounds maintenance that is needed to be accomplished for that day.

### Level the Divot Sand:

The sand bottles on the carts are to fill tee and fairway divots. After filling the divot, the sand must be leveled with your foot to make the sand level with the existing grade of turf. If sand is mounded and not level, then the fairway and tee mowers chew up the sand and this dulls their blades. The dull mower blades then rip the grass and cause an entry way for disease and reduce the overall appearance of the fairways and tees.

Don't let the chilly mornings deter you from the golf course, we still have plenty of good weather to come play golf. September saw some great golf at Seven Oaks. We started the month by hosting a Flag Tournament to benefit the Folds of Honor. We ended up donating just over \$900 to the charity from our facility. If we hadn't been cut short by a big rain storm, we would have hit that \$1,000 mark. Stay tuned for a few more events this month, changing times, and a Kid's Halloween party on the golf course!

# SEVEN OAKS—OAK LEAVES

**SEVEN OAKS** COUNTRY CLUB  
**CHRIS JUBA** DIRECTOR OF OPERATIONS & MEMBERSHIP

Dear Seven Oaks Members,

This has been one of the nicest summers I can remember in a long time. We had a wonderful pool season despite the subpar weather on Labor Day however the many other great days made up for it! I want to thank all our Members and Staff for a great year at the pool and cannot wait until next year! Patio dining has continued to be busy and we have been turning up the heat with the fire pits and portable heat lanterns each evening. Entertainment will continue through Mid-October on Friday evenings so be sure to make reservations!

The Wine room has been getting a ton of use and I must say that it is one of my favorite rooms in the club for many reasons. It is private, has a great ambiance, and it has an outlet so can charge my chair if need be. I almost forgot to mention that we can store over 700 bottles of wine which is the best part! This room can host up to 10 people very comfortably and is perfect for private occasions. There is no charge to book this room and has also been very popular for lunch. Many of our members have brought their office staff for lunch. Be sure to reserve your spot in October as it will book up quick with the change in weather!

Membership continues to rise with 150 new members this year and 3 more months to go! Molly continues bringing in new members as now is a great time to join and to lock in your spot on the golf course and swimming pool for 2021!

I would like to thank all our members for their support of Seven Oaks and look forward to a busy October!

How is it already October?! This year has gone by so fast. Fall is such a beautiful time at the Club. I cannot wait to see the beautiful autumn colors on the golf course.

We have lots of fun things to look forward to at the Club in October! The Clubs Oktoberfest is on October 2, the Beer Belly Open is on October 3 and the Kids Halloween Party will be on October 17. For any reservations, please call me at the front desk or email me at [mverone@sevenoakssc.com](mailto:mverone@sevenoakssc.com).

It has been a great year for membership! We have 150 new members. I want to thank all of our members for their referrals. It is greatly appreciated! If you know anyone who may interested in joining, please have them reach to me.

**ELLEN POLICASTRO** CATERING & EVENTS COORDINATOR

It's hard to believe that it is already October. September was such a beautiful month, but now it's time to put our thoughts towards the cooler weather and the holidays that are approaching.

The Club Oktoberfest is Friday, October 2, on the patio and under the tent. Chef Art has created a great special menu for the evening and the Mad Bavarian will be back to entertain you. We will have beer stations outside plus our Grille Room bar. Reservations are suggested for this fun evening!

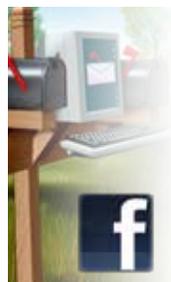

Our Halloween party is scheduled for Saturday, October 17 from 4-8 PM. Because of COVID-19 restrictions, we have planned a really fun evening **outside**.

The Vintner Club will be enjoying a 5 course wine dinner on Saturday, October 24, featuring wines from South Africa with Nicole Flory. The event will be held in the Hickory starting at 6:30 PM with dinner starting at 7 PM. Reservations are a must!

The December calendar is already filling up with family and office Christmas parties so if you are thinking about hosting a party, call me and we can take away all the stress. We have rooms that can accommodate parties 15-250, but you need to reserve them while there is still availability.

Thank you so much for supporting Seven Oaks with all your special activities and events!

## Stay Connected!

If you're not receiving weekly e-blasts from us and would like to be included, please send your email address to [mverone@sevenoakssc.com](mailto:mverone@sevenoakssc.com) or call 724.495.3300.

**SEVEN OAKS** COUNTRY CLUB  
**KEITH HOHENSHEL** OPERATIONS MANAGER

There is a little chill in the air and the leaves are changing but there is still plenty of golf to be played. Please be sure to make a tee time so we can accommodate you and your guests. With frost delays and less daylight it is easy for the course to get crowded on the nice days and we want everyone to enjoy the weather and get their round in.

*So, you wanted to be a Chef...  
A column written by Chef Art to keep you updated  
on new and old food trends:*

**Osso Buco:** An Italian dish made of veal shanks braised with olive oil, white wine, stock, onions, tomatoes, garlic, anchovies, carrots, and lemon peel. It is traditionally garnished with risotto or pasta.

**Lobster Mushrooms:** It has a color like cooked lobster meat or lobster shell, and it can have a seafood like aroma. When cooking, the flesh is white or slightly cringey white and quite dense mostly found around hemlock trees mostly harvested in September and October.

**Sauerbraten—Pickled and Sour Roast:** Traditional German meat roast of heavily marinated meat. It is a national dish. Before cooking, the meat is marinated for three to ten days in a mixture of vinegar, wine, water, garlic on carrots, celery, herbs, and spices. The long marinating tenderizes the meat. Sauerbraten is traditional served with a ginger snap gravy.
