SEVEN OAKS COUNTRY CLUB
DENNIS KAMINSKI GOLF COURSE SUPERINTENDENT

June Course & Grounds Report

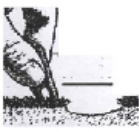

When fixing a ball mark, many golfers mistakenly lift the indented ground upward. Since this grass will die, the ball mark will not heal properly. The proper method as illustrated below by the USGA is to bring the healthy turf around the ball mark inward.

BALL MARK REPAIR

An indentation created by the ball landing on the green obscures the putting line. No matter the facility or level of play, every golfer is responsible for mending their marks. This process takes only a moment, but it provides for fair play and preserves the quality of the putting surface. The process is as follows:

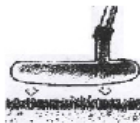

1. Use a prolonged ball mark repair tool, knife, key or tee.

2. Insert at the edges of the mark, not the middle of the depression.

3. Bring the edges together with a gentle twisting motion, but don't lift the center. Try not to tear the grass.

4. Smooth the surface with a club or foot. You're done when it's a surface that you would putt over.

News from the Golf Shop

The golf season is now in Summer mode as we are already into June, and my first year went fast. (June 10 was my first day at Seven Oaks.) We should be done with the chilly morning frost delays as we are into our summer tee times and starting times. Our first tee time on the weekdays will be 8AM and on the weekends, 7:30 AM. Please make sure you call the Golf Shop to schedule your tee times, as we have seen an increase in rounds played. Our tournament schedule is off to a great start and our Ladies Wednesday night league has seen more participation than ever.

June has a lot going on, but there are a couple highlights worth mentioning. Our Junior Program will start on June 29th and run for 6 weeks ending the week of August 3rd. We will have a Sign Up event on June 16th for any kids that want to come out to the course, have fun, and get a taste of some of the things we will be doing in the camp. You do not have to be present during the Sign Up event to register your child.

Our Men's Invitational will be held on June 24th-June 26th and we are currently full with 60 teams. If you would still like to put your name in to play, we do have a waiting list in case of any teams dropping out. This is the best event of the year with the biggest field since the mid-90s!

Thank you for an amazing first year in the Seven Oaks family.

Driving Range Hours:

Tuesday-Saturday 7 AM-6:30 PM

Sunday 7 AM-3:30 PM

SEVEN OAKS COUNTRY CLUB
CHRIS JUBA DIRECTOR OF OPERATIONS & MEMBERSHIP

What an exciting time of year as the Pool is finally Open! We had a wonderful opening weekend and want to thank everyone who came out and enjoyed the sunshine. As many of you know this will be the last year for the current pool as we already broke ground for the new pool and tennis complex which will open for the 2022 season. If you have not seen the renderings, please stop in the lobby and check them out!

Membership continues to grow as we have officially started a waiting list for the recreational membership. I am forecasting that we will be able to take 5 more members in this category the first week of June. We already have 3 on the waiting list so be sure to contact Molly if you have a friend or family member who is interested in membership, especially in the Recreational Category. We currently have 70 new members who came on board in 2021 and look forward to watching the golf category continue to grow!

Entertainment on the Patio started May 21st and we have had sell out crowds every Friday night. Please be sure to make reservations on the weekends so we can accommodate everyone accordingly. The Friday night entertainment is listed on a following page with some new and old faces! I look forward to another June of Friday night sellouts!

I want to thank all the members and staff for their support and hard work as this is one of the best starts to the year that we have had in a long time. I can't wait to watch the momentum continue!

If you have any questions, feel free to contact me at any time!

I could not wait to take this picture because it should be the last time that I should have to take one at this location. This may be one of my least favorite jobs to help with at the club and although I am not a swimmer I have spent much time in this pool but most of it was how you see it in this picture. I have always wondered how many people have used this swimming pool since it opened in 1979. A large number I am sure.

Prep work for opening Seven Oaks pool.

SEVEN OAKS COUNTRY CLUB
ELLEN POLICASTRO CATERING & EVENTS COORDINATOR

It's summertime again at Seven Oaks and we are all looking forward to the heat, sunshine, and great events that are planned. It was so nice to be able to host Mother's Day brunch again and see everyone enjoying themselves.

Chef Art has a special Father's Day luncheon, so don't forget to add June 20 to your event calendar! Come spend some time with dad!

The pool is open again and I know the kids are looking forward to spending time in the sun with their friends. Don't forget that we do reserve the canopy for personal pool parties, whether it's for kids or adults. Give me a call and I can help you plan a fun event by the water.

I have been booking private events through the fall and even December office and family Christmas parties. It's never too early to reserve a room for a special occasion.

Don't forget to check out the Long Ash Club, Barley & Hops Club, and the Vintner Club events. It's a great way to meet new friends and enjoy an evening at the Oaks.

The hours are Monday from 11 AM – 5 PM, and Tuesday through Sunday from 11 AM – 8 PM. Please check out the pool schedule for a list of the night swims.

The live music on the patio has officially started! We have a great line-up for every Friday night in the summer! Reservations are highly recommended for the Patio. Please feel to email me or call me for any reservations.

I would like to thank all our members for their referrals! It is greatly appreciated. If anyone has friends or family who are interested in joining Seven Oaks, please let me know!

Wild Violet Corn – Wild Violet Corn is the first to combine dazzling purple and white kernels with a creamy, sweet corn flavor. When you sink your teeth into these kernels, you will experience a juicy sweetness and creamy corn flavor at the same time. It is absolutely delicious! The color deepens when cooked for a few minutes.

Liaison – In cooking a liaison is a thickening agent for soups, sauces, and other mixtures. Egg yolks and starches such as flour, corn starch, and arrow root are among those agents used for thickening.

Plots have been laid out (20 x 30 Feet) or smaller with water outlets available for each plot. Paul Lebanik and Jim Straley are annual “Green Thumbers” who will gladly assist you in getting started and help answer any questions.

The Club charges \$35.00 per year for a full plot, and the price of a smaller plot would be negotiable (I THINK). For the annual fee, the Club will till your plot in the Spring, provide water outlets, keep the perimeter grass mowed, and spray weekly around the garden to deter deer and rabbits from an early harvest.

Just think of the new friendships that might develop, and OH! the taste of those fresh vegetables when harvesting begins.

Tomatoes, Peppers, Egg Plant, Onions, Beans, Lettuce, Beets, Cucumbers, Zucchini, and Pumpkins are just a capsule of what we grow throughout the summer and early Fall.

If you have any questions please call Paul Lebanik 724-495-6463 or Jim Straley 724-508-0661. We look forward to meeting you.
