September Course & Grounds Report

Fall greens aeration is scheduled for Monday, October 11th and Tuesday, October 12th.

Greens aeration occurs twice a year and each time greens are aerated, 100% of their surface is affected, but in actuality the total area that has been cored is only 5%. By aerating twice a year we core 10% of the green instead of just 5%. Also important, is the time of year for the aeration. Completion in the spring is necessary to prepare the turf for the summer stresses, which include: heat, rainfall, disease, insects and compaction. Fall is the next best time to aerate because root growth is maximized and soil compaction is reduced from the summer season.

Below is a list of benefits that occur from aeration:

- 1) Increased root development.
- 2) Decreased compaction.
- 3) Decreased thatch development.
- 4) Increased tolerance to heat.
- 5) Increased water and nutrient uptake.
- 6) Reduced isolated dry spots.
- 7) Increased tolerance to insects and disease.
- 8) Increased drainage.

Driving Range Hours:

Tuesday-Saturday 8 AM-6 PM

Sunday 8 AM-3:30 PM

Driving Range is open weather permitting.

News from the Golf Shop

We are winding down on the golf season, but the golf shop feels like it is just getting started. We have a ton of events this month! We will have a Beat the Pro game on Labor Day, the Ringer Open and the Ryder Cup are our last two Golf Committee events of the year, our Ladies Club Championship will be Friday and Saturday, the 17th and 18th of this month, and we have some Couples Golf nights still on the schedule! Throw in the PGA FedEx Cup playoffs, the Ryder Cup, and even some football weekend specials in the Grille, and we have an action-packed month for you at the Club.

A quick "Thank you" needs to go out to all the kids, parents, coaches and employees that helped our Junior Program this year. We had a total of 65 kids that participated in our 6-week program that finished up on August 11th. Everyone had a blast and we saw improvement in each child. Hopefully it will only grow year after year!

SEVEN OAKS—OAK LEAVES

SEVEN OAKS COUNTRY CLUB
CHRIS JUBA DIRECTOR OF OPERATIONS & MEMBERSHIP

While we had some days of rain, we also had some great days of sun this August. We had a great month at the pool and only had one rain out on the patio. The night we had to move our entertainment inside was a night to remember. We had a great crowd and Trinity was playing some of our favorite country songs as well as some classics. At around 8:30 the power went out and the night lights came on. We still had 7 or so tables. Trinity sang the classic song "Hallelujah" when the power was out acoustically. It ended with a huge round of applause from our members, guests, and staff! We look forward to having Trinity back to make some more great memories!

The pool construction is well under way as they have moved "mountains" of dirt. As long as we have good weather the pool will remain among schedule. The new condos are also doing very well with all 3 of the new units sold. They will begin on another set of condos once these are completed as they would like to have a spec unit to show potential customers. There has been a lot of interest in the units available which is great news! We also have 4 houses that will be going up in the development in the next year! This is all exciting news and great for Seven Oaks.

Even this late in the summer membership continues to grow. Word is out of what an outstanding Club we have as well as what a great group of members we have. People from all over the area want to be apart of what we all have built together as well as reserve their spot for the new pool and tennis facility!

I want to thank all our members for their support as this was a tough

Another summer behind us! The beautiful, hot weather made the pool a favorite place for families to be this year. We had more pool parties than ever before!

We have a very busy schedule for September and hopefully the beautiful weather will continue, and the golfers and tennis players can enjoy another month outside.

I have booked a lot of events for the fall, and I am looking forward to seeing what new creations Chef Art and his culinary team will be making. We will be celebrating Oktoberfest on Friday, September 24, in the Grille Room and on the patio. Chef is making a special menu, so don't forget to make a reservation for a fun evening!

The weekends in September and October are filled with weddings, private events, and member activities. Don't forget to make your reservations for the Vintner and the Barley & Hops tastings.

I have been taking reservations for Christmas parties, and there are some dates still available. If you are thinking about celebrating with your family or friends, give me a call and I can help with your planning. Thanks so much to all are members who make Seven Oaks such a special place to belong!

Pinsa—What is pinsa? Meet the trendy pizza with a cloud like crust! It has been around since ancient Roman times. This style crust is fairly new in the United States, though. Its rustic style makes it lighter and airier like a cloud of dough. The flour blend is 80% water rice flour, wheat flour, soy flour, and sourdough flour. This crust is only being used at Seven Oaks in PA!
