SEVEN OAKS COUNTRY CLUB
DENNIS KAMINSKI GOLF COURSE SUPERINTENDENT

October Course & Grounds Report

Frost Delays:

As we enter the fall season frost delays seem to dictate starting times rather than sunlight. With the golf course being located in a valley the air temperature is just a couple degrees colder than the air temperature at the top of the hill along Tuscarawas road, so many days there is no frost at the GCU, but as you come down the hill everything turns white. We wait to allow traffic on frosty areas because when there is frost on the grass plant the cells that make up the leaf tissue and crown are frozen. If force is then applied, the ice inside each cell shatters the cell wall and causes damage to the plant. Waiting until the morning temperatures rise and the frost melts is necessary to maintain quality turfgrass. After the frost melts a further time delay is needed to prep the course ahead of play and this may take an extra 30 minutes to an hour depending on whether there is a shotgun start or tee times, and also the amount of grounds maintenance that is needed to be accomplished for that day.

Level the Divot Sand:

The sand bottles on the carts are to fill tee and fairway divots. After filling the divot, the sand must be leveled with your foot to make the sand level with the existing grade of turf. If sand is mounded and not level, then the fairway and tee mowers chew up the sand and this dulls their blades. The dull mower blades then rip the grass and cause an entry way for disease and reduce the overall appearance of the fairways and tees.

News from the Golf Shop

October is my favorite month of the year for a ton of reasons, but the golfing weather might be at the top of my list. Congratulations to all of our tournament winners this year, as we wrapped up a fantastic tournament season last month. Hopefully October stays mild and dry for us to hold onto the golf season for as long as possible. Stay tuned for changing tee times and range hours as we start to see a little more chill and a little more darkness creep in as we head towards November. Don't forget to sign up for the **Kids Halloween Party** for the front 9 trick or treating in golf carts.

SEVEN OAKS—OAK LEAVES

SEVEN OAKS COUNTRY CLUB
CHRIS JUBA DIRECTOR OF OPERATIONS & MEMBERSHIP

Dear Seven Oaks Members,

I have always loved this time of year especially when we have the nice weather that we have had in September. Seven Oaks is truly beautiful in the Autumn months and as Keith Hohenshel would say, "Its like a Bob Ross Painting when staring out the windows." With the nice weather comes more outside dining! We will continue having Patio dining until the weather fully breaks. Do not forget we have 4 firepits and plenty of space heaters to keep everyone comfortable!

As many of you have seen the pool has made tremendous progress the past month and a half. I had the chance to drive my golf cart on the site and they have begun pouring footers for the buildings! It is starting to come to fruition and not just looking like a big dirt mound! As long as we have good weather the construction will continue so we can open next season.

Even late in the year we are still getting new members! This is the best time to join as we are still waiving the initiation fee for golf members and all new members will lock in the 2021 rate for 2022.

If you have any friends or family, please have them give me a call and I will explain all of the details. A Seven Oaks Membership makes a great Christmas gift as well!

I look forward to the last 3 months as we have plenty of Holiday Parties and Brunches still to come. Be sure to come see us in the Grille Room as we have remained very busy on Fridays and Saturdays so please to make s reservation!

Look Forward to seeing everyone at the Club!

ELLEN POLICASTRO CATERING & EVENTS COORDINATOR

It's hard to believe that it is already October. September was such a beautiful month and the flowers at the Club are still gorgeous! Now we put our thoughts towards the cooler weather and the holidays that are approaching.

Our Halloween Party is Sunday, October 24, and this year we will also have hay rides! This is a fun time for the whole family so be sure to make your reservations and then pick out some great costumes! All the festivities will be outside again like we did last year.

Our next Vintner tasting is Thursday, October 21, and the Vintner dinner will be Saturday, November 13. Don't forget to make your reservations because these events fill up quickly. We would like to take reservations for the dinner for Vintner Club members only until November 1, then open it up to guests. We want to make sure that any Vintner Club members who wish to attend get first choice.

In December we will have our annual Family Christmas Brunch on Saturday, the 18th. Santa will be here with presents for all the kids! When you make your reservation be sure to let us know the children's names and ages.

I have been so busy with events...weddings, anniversaries, birthday parties, and the list goes on. The December calendar is already filling up with family and office Christmas parties. If you are thinking about hosting a party, call me and we can take away all the stress. We have rooms that can accommodate parties 15-250, but you need to reserve them while there is still availability.

Thank you so much for supporting Seven Oaks with all your special activities and events!

Fall is such a beautiful time at the Club! I cannot wait to see the beautiful autumn colors on the golf course.

We have lots of fun things to look forward to at the Club in October! The Beer Belly Open is on October 9, The Fall Brunch is on Sunday, October 10, and the Kids Halloween Party will be on October 24. For any reservations, please call the front desk at 724-495-3300.

It has been a great year for membership! We have 150 new members. I want to thank all our members for their referrals. It is greatly appreciated! Please join me in welcoming the newest members to Seven Oaks:
