April Course & Grounds Report

Divot Patterns on Driving Range Tee—This picture is provided by the USGA and shows the different divot patterns that occur on the driving range tee. The USGA recommends the linear pattern because divots fill in faster from existing grass on each side and because it allows for more players to hit from the tee before stations need moved. From my point of view the scattered or linear pattern is fine to use since both allow the grass to creep back into the divot a short distance which is the primary way divots recover.

The concentrated pattern is a real problem for a few reasons. In the summer, seeded divots rarely survive and establish due to the high temperatures, so the main way divots recover from July through August is from the bentgrass creeping back into the voids. When using the concentrated method, the distance the grass must creep to fill in the void can be 6 inches from each side where as the other patterns only require the grass to travel one or two inches from each side.

The other problem that occurs using the concentrated pattern is that the tee mowers push the sand out of the void and cutting blades become dull because large pockets of sand are not good support for a reel mower and the rollers push the sand instead of going over the sand as they do when using scattered and linear patterns.

SEVEN OAKS COUNTRY CLUB
CHRIS JUBA DIRECTOR OF OPERATIONS & MEMBERSHIP

Dear Seven Oaks Members,

March flew by and I am happy to see the weather finally breaking for the spring season! We had a busy March considering the weather and I want to thank everyone who came out for St. Patrick's Day in the Grille Room and everyone who attended the Spring Chicken! Both had great crowds, and everyone had lots of fun. I look forward to being open Tuesday through Sunday in The Grille Room as well as Palm Sunday and Easter. If you have not made reservations, be sure to do so ASAP!

The pool project continues to progress with no major issues so far! I will be sure to keep everyone updated throughout the month of April and will also have some new drone footage coming out soon!

What an exciting year to be a member! New members continue to come in and we do have room for more Recreational Members with the new pool facility. We currently have 370 Recreational Members and can now grow to 425 with the added space. We are currently at 285 golf members and will max out at 325. I do predict that we will hit both numbers this year so if you have any family or friends be sure to have them call Nicole!

Again, I want to thank all our members for your support and look forward to an outstanding 2022 season!

ELLEN POLICASTRO CATERING & EVENTS COORDINATOR

We made it through another winter and now are looking forward to spring- what a beautiful time of year!

Our first ever "Spring Chicken" was a fun night for everyone! Art and his staff made a delicious buffet of food, Dawn Savage Band was great entertainment, the Moonshine from Hammer Moonshine was quite tasty and the horse rides were a favorite for many. I can't wait to see what we do next March!

Easter Brunch, April 17, is from 11 AM-4 PM. This is a very special brunch at the Club so don't forget to make your reservations and enjoy your family and friends with some delicious food!

Our Vintner Club kicks off the year on Friday, April 22 with a wine tasting featuring "South of the Equator" wines with Bruce Earnest from D'Andrea Wines. You know there will be some great food pairings to compliment the wines. Make your reservation soon!

The Barley & Hops group starts their season on Saturday, April 30.

I have been busy scheduling so many private parties, so if you are thinking of bringing your special event to Seven Oaks, please call soon to reserve a room. We are looking forward to First Communions, anniversaries, bridal and baby showers, graduations, birthday celebrations, weddings and many other events. We have menus that you can choose from or we can design a menu just for your group. You can reserve the Hickory, Oak Room, Ballroom, Champs Lounge or the Wine Room for your special occasion. Give me a call and let us do all the work so that you can enjoy your time with your friends!

We are all looking forward to another very busy year at the Oaks! Thanks to all our members who have made the Club such a great place!

Also, if you are coming to dinner and need a cake for a special occasion, let me know and I can arrange to have a beautiful (and delicious) cake here for you group!

Welcome back everyone! I hope that the winter weather is now out of the way and it is good to see the golfers out on the course. To our new golf members first welcome to the club! I have your locker key in my office if you did not get one. If you would like your golf shoes cleaned, leave them outside of your locker or on the bench in my office. Ladies can just leave their shoes outside of their locker and they will be returned after they are cleaned.
