May Course & Grounds Report

Finish the pass-Working on the course when there is a lot of golfers is challenging for the staff especially when the task involves being on the fairway. Please allow time for the staff to finish their current pass and then they will pull over to the side. Fairway tasks include: mowing, aerating, fertilizing and spraying.

Staff working on or around greens and greenside bunkers should be allowed to exit the area before being hit upon unless the staff person waves for you to proceed.

News from the Golf Shop

Can we see a little sunshine? Even with the wet start to the season, our first Golf Committee Event is in the books with record participation. Let's hope all the rain is getting out of the way early.

We have just about all our apparel, equipment and accessories in a fully stocked Golf Shop for all your merchandise needs. A huge shout out goes to Dennis and his crew for the work they have done so far this season getting the course in the great shape it is in. Please come out and enjoy the golf that we can offer.

Our Match Play bracket has started, and the 64-player field will now start scheduling and playing matches with each other. Make sure you stop by the Golf Shop to see your bracket and your next opponent. The Batyko-Juba Tournament is scheduled for Saturday, May 14th. This is a 2-person format so grab a partner and sign up for this 27-hole event filled with golf and great food. This month will also feature the start to our Ladies Golf Program. Opening night last month was a great start and we will start the 9-holes schedule on Wednesday, May 4th. There will be a lesson from 5-5:30 pm and we will tee off after that. Make sure you get your ladies and sign up in the Golf Shop.

Golf Swing Fitting Experiences in May-Seven Oaks Country Club is going to be hosting fitting events for Titleist, Taylormade, and Mizuno in May for our members who want a customized fitting experience right on our Seven Oaks Driving Range. So, what is a club fitting? In short, club fitting is the process of determining which golf club allows a player to: Consistently strike a ball closest to the center of the face, with a clubface that squares to the target line with the sole of the club flush to the ground, Optimizes a player's performance, feel and consistency, Considers all design characteristics of a club (length, lie, loft, weight, swing weight, shaft material, shaft flex, CG and more). Everyone has their own unique swing, unlike any other person that plays this game. Club fittings are designed to strengthen your strengths and compensate for any weaknesses in your swing.

Here is our schedule at Seven Oaks;

Taylormade – Friday, May 6 from 12 PM-6 PM

Titleist – Friday, May 13 from 12 PM-4 PM

Mizuno – Friday, May 20 from 2 PM-6 PM

How this works: Each company has about 4-5 spots open for booking an appointment with a certified fitting expert. This is not a "Demo Day" where they have a ton of their products on the range for anyone to walk up and hit, but rather a 1-on-1 session with a fitting expert to find equipment that best compliments your game. The Golf Shop at Seven Oaks has links to book your appointments online. Please call the Golf Shop or email jhammel@sevenoaksgolf.com for more information and to book an appointment for your swing fitting. These appointments will be first-come, first-serve. If we fill up appointments fast, we will reschedule the companies to come out early this summer to supply our demand. This is a great experience if you're in the market for a new driver, new short game clubs or a whole new bag! Buyer's Club pricing will apply to your fitting event, if applicable. Call us today to book your appointment!

SEVEN OAKS COUNTRY CLUB
CHRIS JUBA DIRECTOR OF OPERATIONS & MEMBERSHIP

Dear Seven Oaks Members,

It is hard to believe that May is already here! The weather seems to have finally broken and everything is drying out. April has been a great month in many ways. We had another great month of membership, 600 members and guests for Easter and some great days of golf including an awesome turnout for the Ice Breaker Scramble. I want to thank everyone who attended these events as well as all of our Grille Room Diners as our weekends are getting busier and busier as the weather changes.

The pool project continues to move along and overall has been going great. Some weather and supply chain issues are holding us back however we are going to have our current pool and tennis courts open until the completion of the new complex. It is hard to say how many weeks we will be at the current pool but will be sure to keep everyone updated as progress continues.

Membership is at an all time high however we still do have room for Recreational Memberships and Golf Memberships. I do feel we will hit our limit in these categories by June so be sure to spread the word and have any friends or family stop in and see us! We will gladly comp them a round or have them enjoy a night in the Grille Room.

Again, thank you to all of our members and look forward to an outstanding May!

SEVEN OAKS COUNTRY CLUB

It was great to see so many members and guests at the Palm Sunday and Easter Sunday brunches. Our next big brunch is Mother's Day, May 8. Don't forget to make a reservation and treat Mom to a beautiful buffet! We are asking our members to please abide by our dress code when dining upstairs- no jeans, no tennis shoes, no men's hats. If you are bringing guests, please let them know.

We have so many special events booked at the Club for May-First Communion luncheons, as well as baby showers and bridal showers, and graduation parties. We are happy that so many of our members are coming to Seven Oaks to celebrate these milestones! Please don't hesitate to call if you are planning a special party or dinner; I would love to help you plan your event. Chef Art and the culinary team are ready to create a special menu just for you!

Ladies, don't forget that there is an area in the Ladies Locker Room that has some books for your reading pleasure. Feel free to take a book to read and also feel free to add to the collection if you have some good reading material sitting around the house!

If you are ever in need of a decorated cake for any occasion when you are coming to the Grille Room, I can arrange to have a cake here for you. Just give me a call 2-3 days ahead of time.
