## June Course & Grounds Report

When fixing a ball mark, many golfers mistakenly lift the indented ground upward. Since this grass will die, the ball mark will not heal properly. The proper method as illustrated below by the USGA is to bring the healthy turf around the ball mark inward.

### Ball Mark Repair

An indentation created by the ball landing on the green obscures the putting line. No matter the facility or level of play, every golfer is responsible for mending their marks. This process takes only a moment, but it provides for fair play and preserves the quality of the putting surface. The process is as follows:

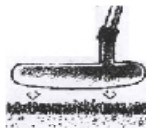

1. Use a pro-longed ball mark repair tool, knife, key or tee.

2. Insert at the edges of the mark—not the middle of the depression.

3. Bring the edges together with a gentle twisting motion, but don't lift the center. Try not to tear the grass.

4. Smooth the surface with a club or foot. You're done when it's a surface that you would putt over.

## News from the Golf Shop

Summer is here and the tournament season is in full swing. We have the Ryder Cup happening this week and you may still have time to get your name in! Summer means the pool is open, all staff are (hopefully) back from school and the golf course is really getting into peak shape.

June has a lot going on, but there are a couple highlights worth mentioning. Our Junior Program will start on June 28<sup>th</sup> and run for 6 weeks ending the week of August 2<sup>nd</sup>. Please call the Golf Shop for more information. We can provide the online link to sign up your child. We expect a fantastic response, and we cannot wait to get the kids out there.

Our Men's Invitational will be held on June 23<sup>rd</sup>-June 25<sup>th</sup> and we are currently full with 60 teams. If you would still like to put your name in to play, we do have a waiting list in case of any teams dropping out. This is the best event of the year where we really showcase the golf course and facilities.

Couples Golf is starting up this month and the Ladies Golf on Wednesdays has seen some great participation. We have something for everyone at the club. Thank you for being a member at Seven Oaks and hopefully we see you on the golf course.

**June 28 through August 2**

Dear Seven Oaks Members,

What an outstanding opening weekend we had at the pool and want to thank everyone who attended our Memorial Day Pool Party. It was a packed house and great atmosphere and want to thank everyone for all of the compliments. I also want to thank all of our members for their patience regarding the new pool. We are hoping for a mid July opening and with our growth in membership it will be able to accommodate many more people than what we had this weekend!

In the meantime we will have great days at our current pool and will hope for the weather that we had on Memorial Day. We have 2 night swims scheduled for June on Friday the 10<sup>th</sup> and Saturday the 25<sup>th</sup>! We also had a great start to our Friday Entertainment which will continue every Friday through at least August! Be sure to make reservations as we expect a packed patio each night.

Membership continues growing and we will most likely hit our max by July. If you have any friends or family who are interested in joining please be sure to have them give Nicole a call! Thank you again for all of your support and look forward to an awesome June!

It's summertime again at Seven Oaks and we are all looking forward to the sunshine, and great events that are planned.

We have a delicious brunch planned for Father's Day, June 19, 11:00-2:00. Don't forget to call for a reservation!

The pool is open again and I know the kids are looking forward to spending time in the sun with their friends. Don't forget that we do reserve the canopy for personal pool parties, whether it's for kids or adults. Give me a call and I can help you plan a fun event by the water.

I have been booking private events through the fall and even December office and family Christmas parties. It's never too early to reserve a room for a special occasion.

Don't forget to check out the Long Ash Club, Barley & Hops Club, and the Vintner Club events. It's a great way to meet new friends and enjoy an evening at the Oaks.
