### August Course & Grounds Report

#### Greens/ Ballmarks and Cigar Wrappers

Green speeds are influenced by many different inputs. They include: humidity levels, grass types, rainfall amounts, temperature highs and lows, fertility levels, turf density, mowing height, mowing frequency, irrigation frequency, rolling frequency, shade from trees, air movement, slope, thatch levels, growth regulation, and lastly whether the green is constructed from sand or soil.

While some of these inputs are controlled by the grounds staff some are also controlled by their micro environment and construction. For instance, greens 13, 14, 15 are dry greens because they are up on the hill where there is more wind and full sun. Greens 4, 12, and 17 maintain moisture longer due to being tucked into shaded areas. Greens 5 and 7 are constructed with sand so they dry out quicker than the other greens.

Good course etiquette requires that you fix your ball mark and one someone else left behind. Also pick up your cigar wrapper that blows out of the cart plus one other.

**SEVEN OAKS** COUNTRY CLUB  
**CHRIS JUBA** DIRECTOR OF OPERATIONS & MEMBERSHIP

Dear Seven Oaks Members,

It is hard to believe it is already August! We have had a great summer so far and still have plenty of great weather to look forward to. The pool has been a great atmosphere every time I drive by! It is always a great start to my day when I go by and get all the waives from everyone and the kids yelling, "Hi, Mr. Chris!" We still have plenty of things going on this month at the pool with another night swim, (2) back to back guest days, and our Labor Day Party!

Membership also continues to grow with 15 new members in July. We still have room in both the recreational and golf membership categories, so if you know any friends or family looking to join, this year is the time to do it as we will be hitting our maximum number of members allocated for these categories.

Lastly, I would like to thank all our members for their patience and understanding regarding the new pool facility. As we hoped to have it open this year, supply chain issues and weather have pushed the project back. The project has come a long way and we will continue sending drone footage as it continues to come to fruition.

Again, thank you for all your support, and if anyone has any questions or concerns, please do not hesitate to give me a call!

Summer is moving right along and the weather has been great. It has been a busy year and this is a good time to remind everyone to make reservations and tee times. As some head back to school soon and football starts there is still plenty of action at the Club and as the nights get a little cooler the Grille Patio is the perfect spot to relax and enjoy a beverage.

It has been another very busy summer at Seven Oaks and we are heading toward the home stretch.

Our last night swim for the season is scheduled for Friday, August 5, so why not plan to spend the evening under the stars at the swimming pool? The snack shop will be open until 9 PM and the Soaks Bar will stay open until 10 PM.

Chef and his staff have a Shrimp Boil planned for Saturday, August 13, so be sure to make your reservation for a delicious meal! If you are not ordering the Shrimp Boil there will also be a limited Grille Room menu.

Vintner Club will have a wine tasting on Friday, August 12, featuring D'Andrea Wines with Bruce Ernest.

If you're planning a family reunion, a high school reunion, or a get-together with friends and family, why not consider having your event at Seven Oaks? We have a variety of menus to choose from and Chef Art is always good at creating something new and tasty just for you and your guests. I have already booked rooms for the holidays for office luncheons and evening parties, so if you are considering holding an event, give me a call and let me work out the details.

The staff at the Oaks is dedicated to making your event a time to remember. Leave the work to us; just show up with your guests and enjoy an afternoon or evening with your family and friends.

Let's get the most out of this beautiful country club before the summer is over!
