## October Course & Grounds Report

### Frost Delays:

As we enter the fall season frost delays seem to dictate starting times rather than sunlight. With the golf course being located in a valley the air temperature is just a couple degrees colder than the air temperature at the top of the hill along Tuscarawas road, so many days there is no frost at the GCU, but as you come down the hill everything turns white. We wait to allow traffic on frosty areas because when there is frost on the grass plant the cells that make up the leaf tissue and crown are frozen. If force is then applied, the ice inside each cell shatters the cell wall and causes damage to the plant. Waiting until the morning temperatures rise and the frost melts is necessary to maintain quality turfgrass. After the frost melts a further time delay is needed to prep the course ahead of play and this may take an extra 30 minutes to an hour depending on whether there is a shotgun start or tee times, and also the amount of grounds maintenance that is needed to be accomplished for that day.

### Level the Divot Sand:

The sand bottles on the carts are to fill tee and fairway divots. After filling the divot, the sand must be leveled with your foot to make the sand level with the existing grade of turf. If sand is mounded and not level, then the fairway and tee mowers chew up the sand and this dulls their blades. The dull mower blades then rip the grass and cause an entry way for disease and reduce the overall appearance of the fairways and tees.

Thank you to all the Beer Belly participants.  
We have a sold out crowd of 37 teams!!

## News from the Golf Shop

October is my favorite month of the year for a ton of reasons, but the golfing weather might be at the top of my list. Congratulations to all of our tournament winners this year, as we wrapped up a fantastic tournament season last month. Hopefully October stays mild and dry for us to hold onto the golf season for as long as possible. Stay tuned for changing tee times and range hours as we start to see a little more chill and a little more darkness creep in as we head towards November.

Don't forget to sign up for the Kids Halloween Party for the front 9 trick or treating in golf carts!

## SEVEN OAKS—OAK LEAVES

**SEVEN OAKS** COUNTRY CLUB  
**CHRIS JUBA** DIRECTOR OF OPERATIONS & MEMBERSHIP

Dear Seven Oaks Members,

The property here at Seven Oaks is truly beautiful in the fall. The leaves change colors and as Keith Hohenshel always told me, "it is like a Bob Ross painting when looking through the Golf Shop windows."

We still have some good weather in the forecast for patio dining and golf! Please be sure to make reservations, especially on Fridays and Saturdays as if the weather does not cooperate, we are limited to inside only.

Between our first brunch, The Beer Belly Open, Kids' Halloween party we have plenty of activities ahead of us this fall. Be sure to make reservations as many of these events have sold out in the past! We have many new members who have not yet experienced a Brunch or the Kids' Halloween Party and look forward to putting smiles on everyone's faces. Chef Art and his culinary team have been doing a magnificent job as well as our banquet and Grille Room staff. It makes all of the long hours worth it when our members have a great time and when we create memories that will last forever.

Thank you again for all of your support and do not hesitate to contact me with any questions or concerns at [cjuba@sevenoakssc.com](mailto:cjuba@sevenoakssc.com). Also do not forget to call Nicole if you have any membership referrals as we still have new members joining!

Yes it's October, the time of year when we have frost delays and everyone tries to golf at the same time, because the days are shorter. There are still plenty of nice days to get some golf in and this is the month for the Beer Belly Open and Kids' Halloween party—two of the Clubs most popular events that fill up fast.

**SEVEN OAKS** COUNTRY CLUB  
**ELLEN POLICASTRO** CATERING & EVENTS COORDINATOR

It's hard to believe that it is already October. September was such a beautiful month and the flowers at the Club are still gorgeous! Now we put our thoughts towards the cooler weather and the holidays that are approaching.

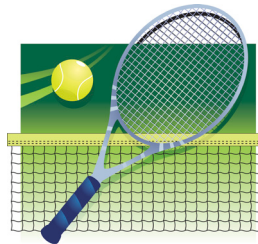

Our Halloween Party is Sunday, October 16. This is a fun time for the whole family so be sure to make your reservations and then pick out some great costumes! All the festivities will be outside.

Our next Vintner tasting is Friday, October 28 and the Vintner dinner will be Friday, November 18. Don't forget to make your reservations because these events fill up quickly. We would like to take reservations for the dinner for Vintner Club members only until November 1, then open it up to guests. We want to make sure that any Vintner Club members who wish to attend get first choice.

In December we will have our annual Family Christmas Brunch on Saturday, the 17<sup>th</sup>. Santa will be here with presents for all the kids! When you make your reservation be sure to let us know the children's names and ages.

I have been so busy with events...weddings, anniversaries, birthday parties, and the list goes on. The December calendar is already filling up with family and office Christmas parties. If you are thinking about hosting a party, call me and we can take away all the stress. We have rooms that can accommodate parties 15-250, but you need to reserve them while there is still availability.

Thank you so much for supporting Seven Oaks with all your special activities and events!
