March Course & Grounds Report

Frozen Greens, Spring Thaw and Playing on Greens in March

Pore Spacing. Putting green soils will freeze deeper than other soils because of the cultural practices we use to maintain healthy turf during stressful summer conditions. Aeration and sand topdressing create larger spaces between soil particles. Spaces between soil particles fall into two groups: macro-pores and micro-pores. A good soil has equal amounts of both.

The larger macro-pores are the spaces between soil particles that allow water to drain and air to remain. Macro-pore spaces allow water, nutrients and oxygen to penetrate the soil profile and enter the root zone. The smaller micro-pore spaces hold water and nutrients for the roots to use over a period of time. Soils that are aerated and topdressed with sand will have more macro-pores than non-aerated soils and thus allow more cold air to penetrate deeper into the soil and freeze more soil particles than would be frozen in more compacted soils. Macro-pores or larger pore spaces are extremely important to the grass plant during the stresses that occur during the golf season. Macro-pores allow water, nutrients, and oxygen to get deep into the root system of a soil which then supports the leaves of the plant which is the putting green surface.

Two problems occur when playing on greens that are not completely thawed. They both begin when air temperatures rise and the greens slowly start to thaw from the top of the playing surface eventually down into the soil profile. The first problem is from foot traffic compaction and how it decreases the size of pore spaces between each soil particle. Until the entire soil profile is thawed, a frozen layer will remain and the water from above the frozen layer has no place to drain. This trapped water in the upper layer then acts as a lubricant around each soil particle. As force from foot traffic is applied to these super-saturated soil particles they become unable to stack on top of one another and get squished together which decreases the size of their pore spaces. As pore spaces shrink they are less able to hold air and more likely to hold water which does not allow necessary oxygen to travel to the root system.

Root Shearing. The second concern when playing on partially thawed greens occurs when force is applied to the upper portion of the grass plant which has been thawed and shifts with force from foot traffic over the frozen root system. The frozen roots which cannot move with the force are then sheared off the plant. Since the leaves are not supported by water and nutrients from the roots they then die.

News from the Golf Shop

Welcome back, Members!

It's a little crazy that Western PA has set records with high temperatures in February, but we have already had a taste of the golf course this year. That being said, we are going to operate on a day-to-day basis based on weather and will open the golf course when we can. We are going to have a great 2023 season! Here are some important things you need to know for the upcoming season.

Check and update your email. I send out multiple emails per week once we get into the season detailing Club tournaments, golf course maintenance, couples' events, ladies' events and really everything that has to do with golf. I use a format called Golf Genius to reach out to the golfing membership, along with the Clubster platform to the entire membership. If you plan on golfing at all this year, please make sure you are on the list to receive both emails.

The equipment and apparel for 2023 that will be coming in looks amazing. We will be your one-stop shop for all golf needs. We will have much more information coming out this month via the two email platforms, such as the Golf Committee Tournament Booklet, information on the golf course and when we will fully open. Make sure you check the newsletter for the Save the Dates of our club tournaments. I can't wait to get back out on the golf course.

SEVEN OAKS COUNTRY CLUB
CHRIS JUBA DIRECTOR OF OPERATIONS & MEMBERSHIP

Dear Seven Oaks Members,

It is great to have everyone back and I am glad to be open now 4 days a week in the Grille Room as well as our 2nd annual Spring Chicken!

We will hope for warm weather as well so we can get some more early golf in. We had a great February in the Grille Room and Valentines Day and would like to thank all of the diners who came out, as if it were not for you I would not be able to open as early as we have been.

We have had great weather throughout the winter months which has allowed for construction of the new pool to continue to move forward. I look forward to getting a full update out to our members as we took the management staff up for a tour this past month and everyone was blown away! I have been working hard during the winter months in hiring lifeguards and kitchen personal and have been very successful in doing so as this is a much bigger operation. I have also been booking entertainment for the new pool as well as the patio and look forward to getting a full schedule out in the near future.

Membership also continues to grow throughout the winter months. Nicole has been doing a fabulous job in introducing new families to the Club.

I look forward to a great 2023 as it will be a staple year for Seven Oaks with the new pool and tennis facility!

SEVEN OAKS COUNTRY CLUB
ELLEN POLICASTRO CATERING & EVENTS COORDINATOR

The first day of spring is just a few weeks away, and we are busy inside the Clubhouse getting ready for a new season at Seven Oaks.

The calendar is full of weddings, showers, golf outings, private events, and club events, so get ready to enjoy Seven Oaks and all the great things going on.

On Saturday, April 1, we will have our Easter Egg Hunt with a new look. We will have a petting zoo, pony rides, an egg hunt, some good food, and the Easter Bunny will be here. The festivities will start at 11 AM. When you call to register, we will need the ages of the kids so that we can make the egg hunt for the different age groups.

Sunday, April 2, we will feature our Palm Sunday Brunch and on Easter Sunday, April 9, we will have our traditional Easter Brunch. Be sure to call for reservations for these brunches.

2023 is sure to be a very busy year with special events and Seven Oaks provides the perfect venue for all the important days of your lives, including baptisms, communions, baby showers, bridal showers, weddings, anniversaries, graduations, birthdaysand the list goes on. I would love to help you plan your next event, so don't hesitate to call me and I can work with Chef Art and our great culinary team to make your day even more special!

In the meantime, enjoy the longer daylight hours as spring moves in. Looking forward to seeing you very soon!

"Clubs Within the Club"

Become a Barley & Hops Member in 23

It is hard to believe that it has already been ten years since our Barley & Hops Club first took stage. We started with 20 members in our first year to now over 60! We have witnessed many transformations not only here at the Club but also in the world of beer in general.

Let me ask you this! If I asked you 10 years ago what your favorite Hazy was, you would look at me and ask what I was talking about? You would also think I was crazy if I told you seltzers were going to try and take over the world! This Club keeps the Hops alive and we have tasted many outstanding beers from a variety of breweries from across the globe. We have also had many great eats and made many new friends along the way.

The annual membership fee is only \$75 which gives you priority for all reservations to the monthly events including the annual Beer Belly Open which had another sell out year in 2022. Membership includes discounted pricing to all events as well as a coupon booklet worth over \$100. Along with your annual gift (one per membership) you will also receive a personalized mug that is 4 more ounces than our regular drafts.

This year all B&H Club members will receive a Seven Oaks Stein which will come in handy during Oktoberfest! Please contact Nicole Gailey at 724-495-3300 or ngailey@sevenoaksc.com and she will get you added to the roster! CHEERS!

NEXT EVENT: Friday, April 28 at 6:30 PM

Vintner Club Membership for Only \$75

What makes someone a connoisseur? A connoisseur is an expert in one concept, especially one who understands the details of this area, technique in creating it, or understands the principles of an art and is competent to act as a critical judge to make it better. Sounds fancy, eh?

This is our definition of a wine connoisseur for our Vintner Club Members and in our 10th year at Seven Oaks we now have over 65 members who have explored wines from across the states and globe, including New Zealand, Chile, Spain, France, and of course Italy!

Chef Art and his culinary team have worked with a variety of wine reps in pairing the perfect cuisine with each wine. We look forward to meeting some new reps this year as well as welcoming back some familiar faces in continuing this tradition of our exploration in wine!

Not a Connoisseur? Not a problem. We will either make you one or you will just simply have fun. Become a Vintner Club member for only \$75 a year and enjoy a variety of gifts and perks including a Seven Oaks Charcuterie Board (One per membership), a Savings Book worth over \$100 (One per membership), special pricing for Vintner Club events, and bottle of wine. Vintner Club events have consistently sold out and being a member will give you priority in making reservations. However, we recommend you make them quick.

Contact Nicole Gailey at 724.495.3300 or email Nicole at ngailey@sevenoaksc.com and she will give you a crash course on what you need to do to be a part of this fabulous club!

NEXT TASTING: Friday, April 14 at 6:30 PM

Long Ash Club Membership 2023

How about we go to the Champs Lounge and lite up a couple cigars? Sure, why not? This has been a phrase commonly said amongst the members of the Long Ash Club and is a phrase that will continue into 2023. Over the past 8 years this club has grown into a tight knit family. What else do you do on the first Thursday of the month? How about a cigar accompanied by some great food and 2 martinis? Sounds good to me! Every first Thursday at 6:30 PM this family gets together and has a great time. The group usually meets in the Champs Lounge but have also been outside on the patio! Each event includes 2 drinks, a cigar and an outstanding meal prepared by Executive Chef, Art Mangie!

Join this family for \$75 a year and receive discount pricing to all LAC events, a discount booklet worth over \$100, and an awesome gift. This year we are giving out beautiful flasks with our label on them!
