April Course & Grounds Report

Divot Patterns on Driving Range Tee-This picture is provided by the USGA and shows the different divot patterns that occur on the driving range tee. The USGA recommends the linear pattern because divots fill in faster from existing grass on each side and because it allows for more players to hit from the tee before stations need moved. From my point of view the scattered or linear pattern is fine to use since both allow the grass to creep back into the divot a short distance which is the primary way divots recover.

The concentrated pattern is a real problem for a few reasons. In the summer, seeded divots rarely survive and establish due to the high temperatures, so the main way divots recover from July through August is from the bentgrass creeping back into the voids. When using the concentrated method, the distance the grass must creep to fill in the void can be 6 inches from each side where as the other patterns only require the grass to travel one or two inches from each side.

The other problem that occurs using the concentrated pattern is that the tee mowers push the sand out of the void and cutting blades become dull because large pockets of sand are not good support for a reel mower and the rollers push the sand instead of going over the sand as they do when using scattered and linear patterns.

SEVEN OAKS—OAK LEAVES

SEVEN OAKS COUNTRY CLUB
CHRIS JUBA DIRECTOR OF OPERATIONS & MEMBERSHIP

Dear Seven Oaks Members,

What a great March we had. The weather was overall mild, and we had more golf this year so far than we normally see in the past. The kids Easter Egg Hunt, Palm Sunday Brunch and Easter Sunday Brunch were all well attended and not only do I want to thank everyone who attended but also appreciate all the compliments we have received. Seeing the happy faces on all the kids and having families together is what a Club is all about. Our next brunch is Mother's Day so be sure to make a reservation ASAP!

Now that April is here, we are beginning our preparations for the pool! We have been hiring lifeguards and pool kitchen staff and are off to a great start. The pool pumps and filters will be turned on April 17 and the process of staging cabanas, lounge chairs and umbrellas will be following! It is an exciting time of year and look forward to our opening festivities Memorial Day weekend.

Many members have asked where we stand with our golf membership. Going into April we have 25 golf memberships remaining which is a great problem to have! If you have any friends or family members who have been contemplating a golf membership, now is the time! Our max is 325 golf members, and we are at 300! Our Recreational Membership is not far behind with 55 remaining going into April. We are forecasting to hit a waiting list in both categories so be sure to give Molly a call before it's too late!

We are off to a great start of the season and look forward to the momentum continuing!

Club Photo ID Card

We would like all members to have their photo ID cards done by Memorial Day Weekend 2024.

Please stop by the front desk to get your photo ID card taken!
Photo ID cards are required to enter the Pool.

SEVEN OAKS COUNTRY CLUB
KEITH HOHENSHEL OPERATIONS MANAGER

Spring is finally here, and it is good to see so many members get an early start on the golf course. I am looking forward to a great year at the club and our goal is to make every member and guest feel that they are at a home away from home each time they walk through our doors.

SEVEN OAKS COUNTRY CLUB
ELLEN POLICASTRO CATERING & EVENTS COORDINATOR

March went out like a (wet) lamb and now we are getting geared up for some beautiful spring weather. Our April calendar is already filling up with events.

Our Vintner Club kicks off the year on Friday, April 19, with a wine tasting featuring wines from J Vineyards and Rombauer Vineyards. Chef will have some delicious food pairings! We are almost filled up, so if you haven't made your reservation, call Molly soon.

Our next brunch is Mother's Day, May 12. That's always the busiest brunch at Seven Oaks, so call early and make your reservation.

I have been busy scheduling so many private parties, so if you are thinking of bringing your special event to Seven Oaks, please call soon to reserve a room. We are looking forward to First Communions, anniversaries, bridal and baby showers, graduations, birthday celebrations, weddings and many other events. We have menus that you can choose from, or we can design a menu just for your group. You can reserve the Hickory, Oak Room, Ballroom, Sycamore Lounge, Champs Lounge or the Wine Room for your special occasion. Give me a call and let us do all the work so that you can enjoy your time with your friends!

We are all looking forward to another very busy year at the Oaks! Thanks to all our members who have made the Club such a great place!

SEVEN OAKS COUNTRY CLUB
MOLLY KULLEN DIRECTOR OF MEMBERSHIP

Happy Spring! The Grille Room is officially open Tuesday through Sunday for the season, which means summer will be here soon! Reservations are highly recommended for the Grille Room especially on Friday and Saturday evenings. To make reservations, please call me at the front desk 724-495-3300, or email me at mkullen@sevenoaksc.com.

The "Clubs within the Club" events will officially be starting up again for the season this month. These events are a great way to meet other members and enjoy time at the Club. Each month there is a different event, so there is always something new happening. If you would like more information or to join one of the "Clubs within the Club", please feel free to contact me. Reservations are required for all the "Clubs within Club" events.

We had an awesome start to the year for membership! If you know anyone interested in joining, let me know. Please join me in welcoming our newest members to Seven Oaks!
