## May Course & Grounds Report

**Finish the pass** - Working on the course when there are a lot of golfers is challenging for the staff especially when the task involves being on the fairway. Please allow time for the staff to finish their current pass and then they will pull over to the side. Fairway tasks include: mowing, aerating, fertilizing and spraying.

Staff working on or around greens and greenside bunkers should be allowed to exit the area before being hit upon unless the staff person waves for you to proceed.

## News from the Golf Shop

We have survived all the April rain and chilly weather and are looking to warmer and dry conditions the rest of the year! (Hopefully!) The Batyko-Juba tournament is scheduled for Saturday, May 18<sup>th</sup>. This is a 2-person format so grab a partner and sign up for this 27-hole event filled with golf and great food. This month will also feature the start to our Ladies Golf Program. Opening night last month was a great start and we will start the 9-holes schedule on Wednesday, May 1<sup>st</sup>.

**Golf Swing Fitting Experiences in May**-Seven Oaks Country Club is going to be hosting fitting events for Titleist, Taylormade, Callaway, and PXG in May for our members who want a customized fitting experience right on our Seven Oaks Driving Range. So, what is a club fitting? In short, club fitting is the process of determining which golf club allows a player to: Consistently strike a ball closest to the center of the face, with a clubface that squares to the target line with the sole of the club flush to the ground, Optimizes a player's performance, feel and consistency, Considers all design characteristics of a club (length, lie, loft, weight, swing weight, shaft material, shaft flex, CG, and more). Everyone has their own unique swing, unlike any other person that plays this game. Club fittings are designed to strengthen your strengths and compensate for any weaknesses in your swing.

Here is our schedule at Seven Oaks;

Callaway – Friday, May 3 from 2 PM-6 PM

PXG – Thursday, May 23 from 12 PM – 4 PM

Taylormade – Thursday, May 30 from 2 PM-6 PM

Titleist – Friday, May 31 from 10 AM-4 PM

How this works: Each company has about 4-5 spots open for booking an appointment with a certified fitting expert. This is not a "Demo Day" where they have a ton of their products on the range for anyone to walk up and hit, but rather a 1-on-1 session with a fitting expert to find equipment that best compliments your game. The Golf Shop at Seven Oaks has links to book your appointments online. Please call the Golf Shop or email [jhammel@sevenoaksc.com](mailto:jhammel@sevenoaksc.com) for more information and to book an appointment for your swing fitting. These appointments will be first-come, first-serve. If we fill up appointments fast, we will reschedule the companies to come out early this summer to supply our demand. This is a great experience if you're in the market for a new driver, new short game clubs, or a whole new bag! Buyer's Club pricing will apply to your fitting event, if applicable. Call us today to book your appointment!

## SEVEN OAKS—OAK LEAVES

**SEVEN OAKS** COUNTRY CLUB  
**CHRIS JUBA** DIRECTOR OF OPERATIONS & MEMBERSHIP

Dear Seven Oaks Members,

April Showers do in fact bring May flowers! As you can see, the course and grounds are looking beautiful! A huge thank you to Dennis and his staff for all their efforts. This is the first year since I can remember that we have a full grounds crew and a huge part of that is because of the 4 gentlemen from "South of the Border" who have joined our crew. I have had a chance to get to know them over the past few weeks, and I can say not only do they do an excellent job, but they are also so appreciative of everything we do for them. If you get the chance, give them a wave and an "Hola"!

**A Masters Moment at Seven Oaks**-I am sure many of you saw that our member, Curt Lancot, had a hole in one on number 11 this past month. He hit a smooth nine iron with a slight draw that landed behind the pin and spun back. As the group watched the ball hit the green it then disappeared into the hole. The group went from a young bunch of business professionals and entrepreneurs to a group of kids who just tasted ice cream for the first time! They were all ecstatic as any group would be, however, there is something even more special about this hole-in-one that many do not know. For anyone who knew Mr. John Lancot, aka the Lanceman, he was a lover of life. A radio broadcaster described him as a Restaurateur and an Entertainer which I think fits him perfectly. No matter what the situation or setting, when you were with Mr. Lancot you were LAUGHING! As I type this, I smile thinking of the countless great times I and MANY people shared with him. My family had the pleasure of sharing backyards with the Lancot family, and I grew up with Curt and his sister Julie. Just over a year ago Curt and Julie lost their father unexpectedly. John, a huge supporter of the GCU, Seven Oaks, and the game of golf had 2 TVs on for Masters Sunday. One TV was Jim Nance talking about Scheffler finishing up his win, but the other one was Curt and company pulling up to number 11 and witnessing THE perfect ACE on Masters Sunday. Congratulations Curt, the Lanceman is proud!

Looking back at these two paragraphs, I have one about a group of gentlemen who work hard and appreciate everything in life, and the other is of a gentleman who loved life and had his unexpectedly cut short. We should all appreciate everything, as we do not know what the future brings. The staff and I here at the Club love and appreciate our jobs and look forward to one of the best months of May that Seven Oaks has ever had. Great patio weather and the grand opening of the pool with fireworks. Let's do it!

Thank you everyone for your support and a huge welcome to all our new members!

**SEVEN OAKS** COUNTRY CLUB  
**KEITH HOHENSHEL** OPERATIONS MANAGER
