## July Course & Grounds Report

Green speeds are influenced by many different inputs. They include: humidity levels, grass types, rainfall amounts, temperature highs and lows, fertility levels, turf density, mowing height, mowing frequency, irrigation frequency, rolling frequency, shade from trees, air movement, slope, thatch levels, growth regulation, and lastly whether the green is constructed from sand or soil.

While some of these inputs are controlled by the grounds staff some are also controlled by their micro environment and construction. For instance, greens 13, 14, 15 are dry greens because they are up on the hill where there is more wind and full sun. Greens 4, 12, and 17 maintain moisture longer due to being tucked into shaded areas. Greens 5 and 7 are constructed with sand so they dry out quicker than the other greens.

## News from the Golf Shop

Thank you to the membership for showcasing our Club in the 2024 Men's Invitational. We fielded 72 teams this year, the biggest Member-Guest ever held at Seven Oaks. We battled the heat, but it was the most fun tournament to be a part of in my tenure here at The Oaks. Congratulations to Dan Camp and his guest, Tony Caltury, for outlasting 13 other teams in the Shootout and winning the Overall Championship. If you missed the Invitational this year, make sure you get your name on the list for 2025. It is the best event of the year to showcase the Club. Going forward for this season, stop by the Golf Shop Tournament Board to sign up for the July 13<sup>th</sup> 2-Man Chapman event and the July 26<sup>th</sup>-28<sup>th</sup> Member-Member event.

Our Junior Program is off to a great start with 112 kids! We are on the driving range and golf course on Tuesdays and Wednesdays through the first week of August.

Assistant Golf Pro Mikala Reed, Dan Camp, Tony Caltury and Head Golf Pro Jason Hammel.

## SEVEN OAKS—OAK LEAVES

**SEVEN OAKS** COUNTRY CLUB  
**CHRIS JUBA** DIRECTOR OF OPERATIONS & MEMBERSHIP

Dear Seven Oaks Members,

What a memorable month of June. We had our first full month of June at the Pool Complex, which went great! We hosted one of the biggest if not the biggest Men's Invitational that the Club has ever seen and we are also ending the month with the most golf members the Club has had since the early 90s! These are some great statistics and made me think of some other statistics related to golf that have transpired here on the golf course.

One question I had at the end of last year was, "Chris, when can I expect my check from my second hole in one check?" I hit the brakes on my chair and turned around and said what an awesome question to have! Member, Mike Crispeno, was one person who defied the odds of not having 1 but 2 hole in ones in one year! Another person who defied the odds was member Jake Polas, however, the outcome of this was not in Jake's favor like Mr. Crispeno's.

Hole number 6, a great hole to get back on track before the par 5 number 7. A hole that some would even consider a "birdie" hole. In Jake's case it became an Eagle hole and these 2's were all made against him, and, yes I said two's as in plural. In 7 days, Jake got beat on hole number 6 by 3 eagles. Members John Navage Jr. and Scott Thompson both had the pleasure of holing out on Jake. One of the most prominent golfers in the Tri State Area, Stan Namola, also dunked one on him in the same week! Congratulations to all the Eagles that week, and Jake, I am sure better times are ahead of you on the course.

June consisted of great memories and some statistical phenomena that we will never forget. I thank everyone for their support of the Club, and I am proud of our staff. We look forward to continually improving and making this Club even better. We are going into July with 16 new members and continue getting inquiries. July could be the month that we hit the waiting list, which is a great problem to have.

Thank you again for all your support,

**SEVEN OAKS** COUNTRY CLUB
