## November Course & Grounds Report

### Frost Delays:

As we enter the fall season frost delays seem to dictate starting times rather than sunlight. With the golf course being located in a valley the air temperature is just a couple degrees colder than the air temperature at the top of the hill along Tuscarawas Road, so many days there is no frost at the GCU, but as you come down the hill everything turns white. We wait to allow traffic on frosty areas because when there is frost on the grass plant the cells that make up the leaf tissue and crown are frozen. If force is then applied, the ice inside each cell shatters the cell wall and causes damage to the plant. Waiting until the morning temperatures rise and the frost melts is necessary to maintain quality turfgrass. After the frost melts a further time delay is needed to prep the course ahead of play and this may take an extra 30 minutes to an hour depending on whether there is a shotgun start or tee times, and also the amount of grounds maintenance that is needed to be accomplished for that day.

### Level the Divot Sand:

The sand bottles on the carts are to fill tee and fairway divots. After filling the divot, the sand must be leveled with your foot to make the sand level with the existing grade of turf. If sand is mounded and not level, then the fairway and tee mowers chew up the sand and this dulls their blades. The dull mower blades then rip the grass and cause an entry way for disease and reduce the overall appearance of the fairways and tees.

## News from the Golf Shop

Unfortunately, this time of year we must talk about leaf removal and frost instead of sunshine and golf. As long as the weather cooperates, we will have the golf course open to salvage as many swings as we can get. As the clocks are still changing this year, get your afternoon tee times in before 2 PM.

Watch for emails updating you on course conditions for frost and moisture levels. The bathrooms and water/ice machine are now down and locked until Spring. We will have the range open, but only hitting off the mats as grass has stopped growing. Our score posting schedule goes until November 15<sup>th</sup> and we will not post scores after that date. Just a reminder that we have a local "leaf" rule, where you get free relief without penalty if you and your group agree that your golf ball is under leaves while in play. Don't take your "leaf rule" relief right next to a hazard, though!

Come gear up in the Golf Shop as we have plenty of outerwear for you to browse. We are going to have a great stock in holiday gifts.

# SEVEN OAKS—OAK LEAVES

**SEVEN OAKS** COUNTRY CLUB  
**CHRIS JUBA** DIRECTOR OF OPERATIONS & MEMBERSHIP

Dear Seven Oaks Members,

I have many things going through my mind on what to write and talk about regarding Seven Oaks, but one thing is heavy on my mind. As many of you know we lost a beloved friend of ours who worked here for more than 42 years. A week I will never forget. This past October, Seven Oaks lost another person who was very dear to our hearts. Kim a cook on paper but much more to all of us passed away in a battle with Cancer.

Kim came and interviewed with me two years ago. He was looking for a place to fit in, use his skills, and be financially stable. It is an interview that sticks out to me out of the many I have done in my career here at the Club. Kim asked for one request and that was time with his family. After losing his wife and moving back to the area he understood the importance of financial stability but more important was time with family. That was a request that I hope I was able to grant him. Time with your family has always been the most important part, however it takes us time to realize that. Kim did and he taught us many things while here at Seven Oaks. On top of his work ethic, his personality was one any kitchen would want part of. After talking with him I always rolled away with a smile.

Going into the Holidays, let's learn a little something from Kim and Mike. I never thought in my career at 35 years old I would be writing an article as such. A higher power kept me here and granted me not just the gift of life but also the gift to continue working here, a place I love. I was kept here to pass on the teachings of Mike and Kim even though they did not realize they were teaching me anything. Mike learned that if you have purpose in life, you can accomplish many things, and Kim knew that time with family is something that you can never get back.

Going into the Holidays spend as much time with family as possible and going into the new year find purpose in your life even if you "think" you do not have much.

God Bless you Kim. I know you are up there with your wife smiling down as I finish typing.

Seven Oaks had a busy month of October! The kids' Halloween party was so much fun-there were over 600 kids and adults enjoying the festivities. The next family event will be the annual Christmas Brunch with Santa on Saturday, December 21. There will be a breakfast buffet, music and a visit from Santa. Please don't forget to make a reservation for this memorable day. Each child will receive a gift from Santa, so when you call for the reservation, please make sure to give us your child's name and age. If you have a large party (over 12) we may have to seat you at separate tables next to each other.

When I turn the calendar to November, I always think of one of my favorite meals of the year-Thanksgiving dinner! Such a beautiful day to sit with family and friends and enjoy the bounty of nature. We have a very plentiful Thanksgiving feast every year at Seven Oaks, and once again, this year, on Thursday, November 28, we will open the Ballroom from 12 NOON-4 PM and Chef Art and his culinary team will show off their skills. Please make your reservation early so that we can accommodate everyone who would like to attend. If you aren't able to attend the buffet, we also have Thanksgiving meal to go.

In December we will have Sunday Brunches on December 8, 15, and 29. December brunches are a nice way for families and friends to get together during the holiday. On Sunday, December 22, we will open up the Sycamore, Ballroom and Oak Room from 5:30 PM-9 PM for a celebration of Candlelight and Christmas Trees. More details on page 5.

We have a very busy December calendar, but there are still a few rooms available for private events. If you are thinking of having an office party, a family dinner or a get-together with friends, call me and I will help arrange a great evening of food and fun.

Last, but not least, several of our members traveled with me to Italy from October 12-24. We had such a wonderful time eating our way

through the beautiful country! And, the wine wasn't so bad either! I have another trip scheduled for next year-Oktoberfest and Jewels of Alpine Europe. If you think you might be interested in joining the group, don't hesitate to contact me.

Ellen Policastro, Terry & Val Carlisano, Ray & Melissa Alexander and Jim Brown & Karen Mehlmauer.

## Oktoberfest 2025 Trip with Ellen

Is the Oktoberfest on your bucket list? I will be taking a group to the Oktoberfest-September 20-October 5, 2025. It is a beautiful trip that includes Lucerne, Switzerland, the French Alps, Lake Como Region of Italy, St. Moritz, Liechtenstein, the Austrian Alps, and then Munich and the Oktoberfest! If you are interested in joining our group, you can check it out by clicking on the QR Code. If you have any questions, don't hesitate to call me at the Club!
