

Seven Oaks “To Go Order” Week!

Tuesday

Penne Pasta with our homemade marinara accompanied by my mother’s famous wedding soup. Mamma D fed me well as you can tell! What’s pasta without protein? How about some pounded out Chicken Breast in my house seasoned breadcrumbs. A plethora of Grilled Vegies with a house chopped salad will also come with it. Pick your dressing as they are all house made..... This meal will easily feed 4-6 Italians.

Wednesday

Christopher aka my boss asked me to do some chicken with a sauce that I made him and his father when I was interviewing. I can say it is good. Chicken Asiago, two chicken breasts stuffed with Cheese and topped with my homemade sauce. Since it is to go, I will have you do the “topping” and put it in a container for you and your family which also comes with homemade mashed potatoes. Christopher loves green beans so let’s roll with that. Chopped salad with house balsamic is also his style.

Thursday

I know we had pasta on Tuesday, but I needed you to get to know my marinara! Homemade 3 cheese ravioli with homemade Bolognese Sauce. Yes, let’s do it. Let’s try out our pizza while we are at it. Plain or Pepperoni. Comes with a Caesar salad and as always fresh Italian bread.
