## July Course & Grounds Report

Green speeds are influenced by many different inputs. They include: humidity levels, grass types, rainfall amounts, temperature highs and lows, fertility levels, turf density, mowing height, mowing frequency, irrigation frequency, rolling frequency, shade from trees, air movement, slope, thatch levels, growth regulation, and lastly whether the green is constructed from sand or soil.

While some of these inputs are controlled by the grounds staff some are also controlled by their micro environment and construction. For instance, greens 13, 14, 15 are dry greens because they are up on the hill where there is more wind and full sun. Greens 4, 12, and 17 maintain moisture longer due to being tucked into shaded areas. Greens 5 and 7 are constructed with sand so they dry out quicker than the other greens.

**SEVEN OAKS COUNTRY CLUB**  
**CHRIS JUBA** DIRECTOR OF OPERATIONS & MEMBERSHIP

I think it is safe to say that Summer has finally arrived! It was a chilly and wet start to June however the most recent heat wave made up for it which is perfect pool weather. This weather looks like it will continue into the start of July for a great holiday weekend.

Reflecting on June, we made many great memories at the Club from anniversaries to birthdays to some kids very first-time taking golf lessons. One of the most rewarding parts of this job is being able to be a part of these memories. At the end of June, we had another great memory that will be reflected in the Champions Lounge forever! A hole in one is what that is and the very first one of this year.

It all started back in December when I met a young man by the name of Robert DiMaggio. He told me he was local and had a group of eight friends who were all looking to join a Club for the 2025 season. After meeting with his group and showing them around the Club they all decided to join! These guys all fit in right away and are just fun guys to be around. A hole in one is made up of good vibes and skill. The golf Gods were looking to reward Mr. DiMaggio for being a big part of bringing this group to Seven Oaks and they decided to do so on Saturday June 28th. After hitting a crisp 7 iron from the back tees on number 14 a familiar but rare sound was heard. The sound of a ball hitting the bottom of a flagstick! The group drove up to the green with excitement where they found a large ball mark directly in front of the cup with the ball in the hole! After a celebration on the green, prominent golfer in the area, Nolan Shank hit a flop shot from the back of the green and into the hole for an immaculate birdie. It did not matter though as he already lost to a 1! Congratulations Robert DiMaggio!

I am looking forward to more great memories such as this one to transpire this July and the Seven Oaks Management team and staff are proud to be a part of it.

A huge thank you to all our members and guests for choosing Seven Oaks to make these memories happen!

I found this original scorecard cleaning out a storeroom this winter. Note that hole 12 is a par 5 and hole 15 is a par 4. Each hole had at least one tree named for it and the slope rating from the championship tees was 147.

June was a very busy month at Seven Oaks...lots of graduation parties, showers and retirement parties! We love being able to accommodate our members and their families for these special occasions.

Independence Day is Friday, July 4, and it will be a great day to bring your family and friends to the pool. We will have our pool cookout from 12-4 PM. Come on out and spend a day at the pool. We will have craft days at the pool on Wednesday, July 2, 16, 30, from 12-2 PM.

Every Friday we have entertainment on the patio—it's always a great place to dine, sit back and relax. Check page 8 for the entertainment schedule. Please call for a reservation, especially for Friday and Saturday evenings.

Our next Vintner tasting will be Thursday, July 17, with Wendy Fitzpatrick.

Join us for Bar Bingo every Tuesday beginning at 7 PM at the pool bar! Come a little early to get a seat and a bite to eat. It's always a fun way to spend a Tuesday evening!

I am already reserving dates in December for private and business Christmas parties, so I encourage you to call soon to be sure of getting the date you want.

Thank you to our members for supporting the Club when it comes to celebrating special occasions! We can accommodate groups from 10-250, so don't hesitate to give me a call when you are planning an event.
