February Course & Grounds Report

This is the time of year that we complete maintenance of all the turf equipment. Mowers for greens, tees and fairways operate about 300 hours per season. With this heavy usage it is necessary to replace brakes, bearings, bushings, seats, switches and other parts that wear out in order to have safe and efficient machinery and also to provide quality turfgrass conditioning. Other maintenance includes grinding 40 mowing reels, sharpening rotary blades and performing preventive maintenance on all equipment. The USGA has a chart which shows the hours in which turf equipment receives and compares it to the miles driven on a car. They equate our average equipment use time of 300 hours to 23,000 miles driven in a car per year, so as you can see it does not take long to start getting some major wear and tear on equipment.

From the Garage

Late fall and winter are some of our busiest months in the mechanic's shop. During the season, much of my time is spent handling everyday repairs such as brakes, tires, belts, batteries, and cables to keep our fleet running smoothly. When winter arrives, it allows me to take a deeper dive into our equipment.

This is when I can focus on larger, more time-consuming projects that are nearly impossible to complete during the golf season. That includes servicing and grinding the reels on all 41 of our mowers, work that is done entirely here at Seven Oaks in our maintenance garage. Nothing is outsourced. I also size, fit, cut, crimp and replace hydraulic hoses on our fairway mowers to help reduce the risk of turf damage.

This is just a small snapshot of how my work behind the scenes plays a part in creating memorable experiences for our members.

Matt Grove
Equipment Manager

As we move through February, the Golf Shop is already gearing up for another exciting and busy year at the Club. While winter still has its grip, the anticipation for the upcoming golf season is building, and our team is hard at work preparing for what's ahead.

We are excited to share that new merchandise will begin arriving in March, featuring fresh styles and popular brands you've come to expect. Whether you're looking to refresh your on-course wardrobe, find the perfect gift, or be ready for opening rounds, we look forward to helping you start the season in style.

2026

Dear Members,

As we move through our annual January closure, I wanted to take a moment to share an update on what is happening behind the scenes and to thank you for a truly wonderful holiday season at Seven Oaks Country Club.

The energy, spirit and support shown by our membership throughout December made for a memorable close to the year. From dining and celebrations to family gatherings and seasonal events, it was a pleasure to see the Club so well enjoyed. I would also like to sincerely thank those of you who took the time to complete our December member survey. Your thoughtful feedback is invaluable and is directly shaping many of the improvements currently underway.

While the Club is closed this month, our team is hard at work preparing for a strong and successful year ahead. A full Club deep clean is underway, allowing us to return refreshed and ready for the season. Our Culinary Team is developing new menus across all dining outlets, with a focus on quality, variety and consistency.

We are also investing significant time in our people and our systems. New training materials are being finalized and comprehensive staff training is taking place to ensure a high level of service throughout the Club. In addition, we are integrating a new Club operating system, building a new Club app and website, and training our team on all new platforms to better support communication, reservations, and overall member experience.

January is also a time for thoughtful planning. We are redefining and refining Club policies to ensure clarity and consistency, developing new social events and programming and pre ordering new Golf Shop merchandise so that we are well stocked with exciting offerings when the season begins.

All of this work is being done with one goal in mind, to continually improve your experience at Seven Oaks. We appreciate your patience during this closure and your continued support as we invest in the future of the Club.

On behalf of our entire team, thank you again for a wonderful holiday season and for your ongoing engagement and feedback. We look forward to welcoming you back soon and sharing all that is to come.

Service Charge Notice:

Seven Oaks Country Club applies a service charge to all Food and Beverage purchases, including banquets. This charge is not a direct gratuity to individual service staff. Instead, it supports the Club's compensation model, which provides servers and bartenders with consistently higher, market-competitive wages that exceed traditional tipped wage structures. This approach allows Seven Oaks to attract and retain professional, experienced service staff while ensuring fair and stable compensation across the team. If a member feels they have received truly exceptional service, additional gratuities are welcomed and appreciated by the staff.

2026 Cabana Booking:

We're happy to offer one Cabana at the Pool for daily reservations! Please note that the Cabana will not be available for booking on holidays. Pre-bookings will open on March 1, 2026, and reservations can be made one day at a time.

Hoping that everyone is staying warm and getting that well-needed rest after the holidays!

Inside the Clubhouse we are cleaning, painting, and planning for an eventful 2026. The Grille Room will be open on Fridays and Saturdays in February from 4 PM-9 PM. There will also be a take out Fish Fry for Ash Wednesday, February 18.

We are pleased to announce that beginning Valentine's Day weekend, the Grille Room will be open on Fridays and Saturdays from 4 PM to 9 PM. Chef Tom has put together a fantastic Valentine's Day menu. To add to the celebration, Donna and Mark Groom will be performing live on Saturday evening from 6 PM to 9 PM.

Looking ahead to spring, our Kids Easter Egg Hunt is scheduled for Saturday, March 28, starting at 11 AM. This event is a favorite for families and is sure to be another fun and memorable morning for our younger members.

Happy New Year, everyone! I've been keeping busy catching up on some painting at the Club and helping with a few maintenance projects that we typically take care of during the winter season. Hopefully, spring weather will arrive early this year!
